A MEMO TO OUR MANY CUSTOMERS AND FRIENDS—

After considerable deliberation, we have decided to curtail our auction program to a degree, and will limit ourselves to a "Spring" and a "Fall" sale. **Our catalogs are prepared exclusively by our staff,** and involve a great deal of time and research. Rather than impair our high standards of quality and grind out catalogs thrown together haphazardly, we intend to increase even further the tenor of our sales by restricting them to such select merchandise that **can only be successfully sold via the auction method.**

To supplement our bi-yearly sales, we will publish a small monthly price list, which, together with the widest possible offering of all kinds of numismatic material, will contain articles and features of lasting merit. The subscription to this Price List will be \$1.00 per year, and should be of particular value to those with diversified interests.

We will accept material on consignment for both auction sale and price list, the commission rates and terms of sale arranged to best accommodate the consigned merchandise.

Collectors are invited to consult with us concerning the sale of their coins, and can do so with full confidence in our "time tested" methods. We will always gladly supply information where advisable, and otherwise utilize our extensive facilities wherever needed.

It is our sincere wish to make our "modus operandi" as complete and efficient as possible. We solicit comments and inquiries from either collectors or the trade, in an effort to constantly offer the best in both merchandise and service.

SPECIALISTS IN THE SERIES THAT OTHERS NEGLECT!

HENDRICKSON CONSIGNMENT

Rockville Centre, L. I., N. Y.

- 1 **Rare Washington Medal.** Washington before Boston 1776. Undraped bust r. Rev. HOSTIBUS PRIMO FUGATIS. Washington and his staff reviewing the evacuation of Boston. Bronze. 68mm. Baker 47. The seldom offered original with four legs immediately beneath the horse ridden by Washington, upon the reverse. Just about perfect, and a light, red-bronze color. (\$17.50)
- 2 **Freak Cents.** 1825 Large Cent. Small A's in reverse legend. Struck well off-center, fully a quarter off the planchet upon both sides. Almost Fine. Highly interesting. (\$7.50)
- 3 Similar. Two Indian Cents, struck far off-center, at least halfway off the planchets. One is dated 1865, the date on the other not being visible. V. Good plus, and V. Fine. Above average for items of this nature. 2 Pcs. (\$5.00)
- 4 Similar. Two beautifully double struck Indian Cents, the second impression, in both instances, covering about two-thirds of the planchet. One dated 1904, the other without date. Abt. Unc., and V. Fine. An attractive pair of desirable freaks, well worthy of a generous bid. 2 Pcs. (\$8.50)
- 5 **Rare Counterstruck Large Cents.** 1840. Obverse impression from small cent size die, bearing bust of Franklin to left in fur cap; BENJAMIN FRANKLIN. Original coin V. Good; counterstrike lustrous, and almost perfect. Rare. (\$17.50)
- 6 Similar. 1850. Obverse impression from a slightly larger die, bearing a uniformed bust of Grant facing right; around, GENERAL U. S. GRANT; below, on a scroll, PRES 1869 TO '77. Uncirculated, and almost completely red. An almost identical example brought \$22.50 in the R. T. McPherson sale, Feb. 28, 1953, as lot 1221. Rare. (\$17.50)
- 7 **Miscellany.** 1861 "I AM READY" token by Lovett. Facing half length bust looking to l., wearing star spangled shirt. Rev. THE UNION MUST & SHALL BE PRESERVED, within border of stars. Brass, silvered. 31mm. Also, two cut-down Large Cents, one larger than the other with the date 1849. Allegedly the origin of the term "Copperhead," these pieces were used as identification tokens by pro-southern northerners during the Civil War. In addition, a rare 1876 satirical Centennial token. Bearded bust of C. A. Dana to l., below, EDITOR OF THE NEW YORK "SCUM." Rev. Around, THE CHINESE STINK-POT OF AMERICAN JOURNALISM; in center, HARMLESS BUT OH! SO FOUL!! PHEW! W. Metal. 31mm. Finally, two uniface tin impressions, from medallic dies, showing busts of Jackson and Clay, the former oval. 24 and 27mm. All perfect, or nearly so, except the two Cents which average Fine, the smaller one being impaired. Unusual lot. 6 Pcs. (\$8.50)

Very Rare Grant Indian Peace Medal

- 8 1871. Bust of President Grant, facing right; border of olive leaves intersected at top, bottom and sides by U. S. shields; above, UNITED STATES OF AMERICA, on a second line, LET US HAVE PEACE; below, LIBERTY JUSTICE AND EQUALITY, above which, a calumet and laurel branch. Rev. Globe, with the Western Hemisphere, behind which is an open book inscribed HOLY BIBLE, surrounded by rays; the globe resting on farming implements; below, the date, and, above and below, ON EARTH PEACE / GOOD WILL TOWARD MEN. Whole encircled by a raised border with thirty-six stars. Silver. 63mm. Belden 57. Uncirculated, with a proof-like surface, but has been apparently cleaned. Not pierced as many are, and probably the finest example of this rarity available. (\$100.00)

The above medal is the only type in the Indian Peace series that does not bear the name of the president. It was only issued in the one size.

PAPER CURRENCY OF THE CONFEDERATE STATES OF AMERICA

- 9 **First Richmond Issue, 1861. \$50.** COMMERCE AND INDUSTRY SEATED ON COTTON BALE. BUST OF WASHINGTON, RIGHT. JUSTICE, LEFT. Printed in black and green on red fibre paper. **Bradbeer 6; Chase 105.** A consecutive pair,

- Nos. 4261 and 4262. Both endorsed on back by Capt. Ferdinand Molloy, ACS, Sept. 22, 1861. 5,798 issued. Almost perfect. 2 Pcs. (\$17.50)
- 10 **\$100.** RAILROAD TRAIN BESIDE RIVER. JUSTICE, LEFT; MINERVA, RIGHT. Black and green on red fibre paper. **B-5; C-106.** No. 4427, out of 5,798 notes issued. Just about perfect. (\$13.50)
- 11 One each of the last two notes. Uncirculated and Ex. Fine. Highly prized "type" items, steadily increasing in value. Two similar pairs realized \$21.00 each in our 41st sale. 2 Pcs. (\$20.00)
- These Richmond notes were emitted to the amount of \$869,700. to replace an equal number of Montgomery notes (leaving only \$281,700. or twenty-five per cent of the original issue outstanding at the end of 1861); they in turn were quickly redeemed as evidenced by the number of cancelled examples that have been seen, explaining the rarity of both series.
- 12 **July 25, 1861 Issues. \$10.** LIBERTY AND AMERICAN EAGLE; SHIELD BEARING C.S.A. FLAG WITH TEN STARS. COMMERCE, LEFT. "10" AT UPPER CORNERS AND LOWER RIGHT CORNER. Large 10's; "for" printed twice, bond paper, small letter A. **Not in Bradbeer; C-109A5.** Fine plus. A variety lacking in our 41st sale, although the latter had most of the outstanding rarities. (\$5.00)
- This note is No. 69198, sgd. Ellet & Goodloe (who signed Nos. 68241 to 69840 inclusive).
- 13 **\$20.** LARGE SQUARE-RIGGED SAILING SHIP. "20," LEFT. "20" UPPER RIGHT. "XX" LOWER RIGHT. "For Treasr." at lower right hand corner. **B-29; C-110A:Ccc.** "For Treasr." below 1861. **Not in Bradbeer; C-110B:Cc.** "For Treasr." printed twice. **B-28; C-110C:Cc.** Fine trio, last an R-6 note. 3 Pcs. (\$6.50)
- 14 **\$20.** Similar. Large "XX"; "for Treasr." lower right: D. **B-33; C-110F** (The inverted XX). Very Fine and uncanceled, the finest specimen of this Rarity-7 note that we have seen. An item that will rapidly rise in value when C.S.A. Currency is fully appreciated. (\$10.00)
- W. W. Bradbeer, in a letter to G. E. Franklin, Hartford, Conn., 8/25/15, valued R-7 varieties from \$15.00 to \$25.00.
- 15 **\$50.** BUST OF WASHINGTON. TELLUS, LEFT. Large "50" at upper r.; "for" printed: B, Bb. **B-14 and 16; C-111A:B,Bb.** Ex. Fine and Fine. Also, one like the first, but surcharged with the green initialled rosette stamp: No. 4597. Bradbeer does not mention this surcharge on his No. 14, though he makes his No. 18 (R-6) out of the similar Bb variety. Lastly, similar to preceding, but without the word "for" (which should have been written in to make variety B-15; C-111B). Both of the last Unc., and presumably very rare. 4 Pcs. (\$8.50)
- 16 **\$100.** CERES AND PROSERPINA, FLYING. BUST OF WASHINGTON, LEFT. Small "100" at upper left and right; "for Treasr." printed: C. Thin paper. **B-11; C-112A/3.** Strictly V. Fine. Becoming increasingly popular as a "type" note. (\$8.00)
- 17 **September 2, 1861 Issues. \$5.** GROUP REPRESENTING COMMERCE, AGRICULTURE, JUSTICE, LIBERTY AND INDUSTRY. MINERVA, LEFT. DRAPED BUST OF WASHINGTON, RIGHT. Printed in red and black on red fibre paper by the "Southern Bank Note Co." Plate letter: A. **B-243; C-114.** 22,000 issued. Abt. Fine. V. Scarce, and in demand. (\$5.00)
- 18 **\$5.** BUST OF C. G. MEMMINGER. MINERVA, RIGHT. Names of engravers at top margin. Plain paper **B-262; C-116A/1:X,** watermark "CSA" in block letters **B-263; C-116A/21:X** (2). Also, without names of engravers. Thick paper watermarked "CSA" in script letters. **B-268; C-116B/22:K.** First three crisp Unc., but cut-cancelled; last Fine or better. Nice lot. 4 Pcs. (\$5.00)
- 19 **\$5.** BUST OF C. G. MEMMINGER. MINERVA, RIGHT. Simliar to previous type, but PART PRINTED IN BLUE-GREEN OR YELLOW-GREEN. Engraved by "Keatinge & Ball, Richmond, Va.", reading down. Watermark "J WHATMAN 1862." **B-256; C-117B/23:H.** Also, with engravers' names reading up. Plain paper **B-258; C-117C/1:M,** watermark "FIVE" **B-261; C-117C/25:O** (No. 17916). First two blue-green; last yellow green. Fine to V. Fine, the R-7 "Whatman" a prize indeed. 3 Pcs. (\$10.00)
- All the notes that we have seen watermarked "FIVE" have yellow-green ornamentation and the plate letter O, and are numbered between 16391 and 18200.
- 20 **\$5.** CERES SEATED ON COTTON BALE. SAILOR LEANING ON CAPSTAN, LEFT. "J. T. Paterson & Co., Columbia, S. C." at lower r. "Second Series." Plain paper; large numeral 15 before A. **B-279; C-119C/1.** Engraver's name "Amendt" on l. margin. **\$5.** SAILOR SEATED BESIDE COTTON BALES. JUSTICE AND CERES, RIGHT. BUST OF C. G. MEMMINGER, LEFT. Engraved by "B. Duncan, Richmond." **B-284; C-120A:G. \$10.** BUST OF R. M. T. HUNTER,

LEFT. VIGNETTE OF CHILD, RIGHT. Printed in orange and black. Engraved by "Keatinge & Ball, Richmond, Va." Watermark "CSA" in block letters. **B-163; C-123B/21:J. \$10.** HOPE WITH ANCHOR. BUST OF MEMMINGER, RIGHT; HUNTER, LEFT. Without red overprint; plain paper. **B-168; C-124A/1:X. \$10.** Similar to previous type, but "X" and "X" PRINTED IN RED. Fine lace "X-X" overprint; watermark "CSA" in block letters. **B-213; C-125A3/21:W.** Abt. Fine to Unc., mostly the best. First and last cancelled. Different "type" notes. 5 Pcs. **(\$6.00)**

21 **\$10.** FAMILY GROUP OF INDIANS. THETIS, LEFT. INDIAN WOMAN CARRYING "X", RIGHT. Printed in red and black on red fibre paper by the "Southern Bank Note Co." Plate letter: B. **B-151; C-121.** No. 4981 of only 22,000 issued. Strictly Fine. V. Scarce and popular. **(\$6.00)**

22 **\$10.** WAGON LOAD OF COTTON BALES. BUST OF JOHN E. WARD, LEFT. CORN GATHERERS, RIGHT. Printed in red and black. Plain paper. Plate: A1. **B-155; C-122/1.** Low No. 62, of a total issue of 10,333, of which probably less than a third are B-155's. Fine or better. A rare item, in steady demand. **(\$6.50)**

23 **\$10.** LIBERTY SEATED BESIDE SHIELD WITH EAGLE, LEFT. PRIMITIVE RAILROAD TRAIN, RIGHT. Plate letters: Ab. **B-221; C-126A.** No. 2462 out of 7,160 issued. Almost Fine, but neatly cut-cancelled; strictly Fine for the note. In the highest possible demand. A slightly inferior example of this R-7 "type" realized \$26.00 at our Sept. 26, 1953 sale. **(\$25.00)**

24 **\$10.** CERES HOLDING AN URN, COMMERCE SEATED, LEFT. PRIMITIVE RAILROAD TRAIN, RIGHT. Engraved by "J. T. Paterson, Columbia, S. C." at lower l. Large numeral 14 below A. **B-236; C-127A.** Engraver's name "M. Altschu" on l. margin. Also, same type with "Hoyer & Ludwig, Richmond, Va." on lower margin. Large numeral 13 over A. **B-234 (R-6); C-127B. \$10.** NEGRO PICKING COTTON. "TEN" AND "10", LEFT. "X", BOATING SCENE AND "10", RIGHT. Similar to B-237; C-128. The variety with shaded plate letter "E", this being the second we have seen. **\$20.** SQUARE RIGGED SAILING SHIP. SAILOR LEANING ON CAPSTAN, LEFT. "20", UPPER RIGHT. "XX", LOWER RIGHT. Engraved by Hoyer & Ludwig; without flourishes above ship. **B-116; C-131A:AH.** Lastly, another, but a counterfeit; No. 18024. **#C1-131A:aF.** Last V. Fine, others Ex. Fine and Unc. Second, third and fifth notes very rare. 5 Pcs. **(\$8.00)**

Our friend, P. H. Chase, tells us that the C-128 with shaded plate letter "E" is also a contemporary counterfeit. It, like the last above, is much rarer, and far more interesting than the genuine.

25 **\$20.** CERES SEATED BETWEEN COMMERCE AND NAVIGATION. LIBERTY STANDING, LEFT. Printed in black and green by Hoyer & Ludwig. Plate letter: A. "For Register" and "For Treasr." printed; without foliage above and left of Liberty. Otherwise, B-99; C-130A. No. 29607; the second that we have seen. Compare lot 136 in our 41st sale, which had a large punch cancellation at center. V. Fine. A very rare and valuable item. **(\$7.50)**

26 **\$20.** NAVIGATION SEATED BESIDE HER GLOBE AND CHARTS. MINERVA LEANING ON SHIELD, LEFT. BLACKSMITH, RIGHT. Printed in red and black by the "Southern Bank Note Co." Red fibre paper; plate letter: A. **B-137; C-132/11.** No. 3527 out of only 14,860 issued. Fine or better; punch cancellations at signatures. A clean, mostly bright impression of this popular rarity. A slightly superior example brought \$16.75 in our Sept. 26th sale. **(\$15.00)**

27 **\$20.** INDUSTRY SEATED BETWEEN CUPID AND BEEHIVE, BEHIND LARGE "20". BUST OF ALEXANDER H. STEPHENS, LEFT. HOPE WITH ANCHOR, RIGHT. "First Series" and "B. Duncan, Richmond." Plate number: 10. **B-141; C-133A. \$20.** BUST OF ALEXANDER H. STEPHENS. "XX", UPPER LEFT AND RIGHT. Printed in black and yellow-green by Keatinge & Ball. Plain paper; plate letter: X. **B-144; C-134A. \$50.** BUST OF JEFFERSON DAVIS. "50" UPPER LEFT AND RIGHT. Printed in black and green by Keatinge & Ball; names above "Fundable" at left end. Fibre paper; plate letters: xA. **B-80; C-137A/11.** Lastly, two counterfeits. First is unlisted, but similar to #C1-137, imitating B-86 (R6); C-137B/1. It is without signatures or serial numbers. The second is of the \$100. type, B-55; C-138A:FA. It matches #C1-138. Very Fine to Unc., the first two cut-cancelled. Scarce lot. 5 Pcs. **(\$6.50)**

28 **\$50.** TRAIN OF CARS WITH LOCOMOTIVE. CERES, LEFT. JUSTICE, RIGHT. Printed in red and black on red fibre paper by the "Southern Bank Note Co."

- Plate letter: A. **B-79** (R-6); **C-136**. No. 4095 out of only 14,860 issued. Abt. Fine; neatly cut-cancelled. V. Rare and a popular "type"; one about the equal of this realized \$17.50 in our 41st sale. (\$17.50)
- 29 **Interest Notes, 1862. \$100.** RAILROAD TRAIN, STEAMSHIP IN BACKGROUND. MILKMAID, LEFT. Straight Steam; engraved by "Hoyer & Ludwig, Richmond, Va." at lower l. **B-287** (R-6); **C-201A:A**. No. 2257 out of only 2,500 issued. Also, similar, small f well below A. **B-289** (R-5); **C-201A:Af**. Another, engraved by "J. T. Paterson, Columbia, S. C." at lower l. **B-293**; **C-201B:Ab**. Engraver's name "Dabney" on r. margin. Finally, diffused steam, plain paper. **B-298**; **C-201D/1:Ae**. \$100. THREE NEGROES IN COTTON FIELD. BUST OF JOHN C. CALHOUN, LEFT. COLUMBIA, RIGHT. OVERPRINT "HUNDRED" IN ORANGE. No. 1 Scrolls. Watermark "CSA" in block letters, **B-317** (R-6); **C-202A/21:X**. Watermark "CSA" in script letters, **B-319**; **C-202A/22:Y**. No. 2 Scrolls. Watermark "CSA" in block letters, **B-318**; **C-202B/21:Y**. Ex. Fine average, two displaying signs of age, the last particularly so. The R-6 notes very rare. 7 Pcs. (\$8.00)
- 30 \$100. Similar. No. 2 Scrolls; watermarked "HODGKINSON & CO WOOKEY HOLE MILL." **B-324** (R-7, but actually R-8); **C-202B/24:W**. No. 1 Scrolls; dated Jan. 1, 1863. Watermark "J WHATMAN 1862." **B-330** (R-7); **C-202C/23:Z**. Ex. Fine and about V. Fine. The "Hodgkinson" is crisp, and a superb example of the rarest watermark in the series. It is apparently at least twenty times rarer than the "Whatman," which in turn is thousands of times rarer than the usual "CSA" watermarks. This lot is well worthy of a record price. 2 Pcs. (\$27.50)
- 31 **June 2, 1862 Issue and Sept. 2, 1862 Issue. \$1.** SIDE-WHEEL STEAM SAILING SHIP. LIBERTY, LEFT. BUST OF MRS. PICKENS, RIGHT. Third Series. **B-341**; **C-203C:6**. \$1. Similar; "1" AND "ONE" OVERPRINTED IN GREEN. Second Series. **B-342**; **C-204B:2**. \$2. CONFEDERACY STRIKING DOWN THE UNION. BUST OF J. P. BENJAMIN, LEFT. CERES RECLINING ON BALE OF COTTON. BUST OF R. M. T. HUNTER, RIGHT. Terms read "SIX MONTHS AFTER." **B-343**; **C-207A:J**. Second is Fine plus, while the balance of this choice lot averages Ex. Fine. Five different "type" notes. 5 Pcs. (\$6.00)
- 32 **December 2, 1862 Issue. \$1.** BUST OF C. C. CLAY. 2nd Series; period after serial letter. **B-400** (R-6); **C-210B:G**. (Only 5,000 issued, of which 300 were signed by Hughes & Davies.) \$2. Same as B-368 (R-7); C-214E, but with "Printed by" (usually on the lower left hand margin) omitted. Plate letter: E. Circular punch cancellations unfortunately obliterate the serial number. PAPER CURRENCY OF THE SOUTHERN (CONFEDERATE) STATES

A Splendid Selection of Many Seldom Offered Notes

With but one or two possible exceptions, the collector interested in this series does not have a reliable or standard reference. W. W. Bradbeer's "Confederate and Southern State Currency," originally published in 1915, is far from complete and contains many erroneous listings. The 1940 Standard Paper Money Catalogue, published by Wayte Raymond, features a fair guide to these notes, but like Bradbeer is not complete. Its valuations are definitely dated, and of little value.

In September, 1927, D. C. Wismer published an article on "Texas Treasury Warrants" in the Numismatist. It is currently available in the 1945 reprint of Bradbeer by R. Green of Chicago. In 1951, Sydney C. Kerksis, one of the most competent authorities in the field, published his list of Georgia Treasury Notes in the February Numismatist. This listing was recently supplemented by newly discovered data in the November, 1952 Numismatist. There is little doubt that other students will eventually prepare authoritative references for the other state issues.

As with any neglected series, we strongly suggest purchase of these items at this time. This particularly applies to the unpublished and rare bills. Many are even now seldom available, and can only become rarer and more valuable over the years. In historical significance and interest, Southern State notes have few numismatic peers.

- 53 North Carolina. Jan. 18, 1862; written date. \$50. Liberty standing; Ceres seated. Plate letter: A; No. 29. Engraved by "J. Manouvrier N. Orleans La." Printed on the back of a N.C. bond, the coupons of which are made payable at the Bank of the Republic, N. Y. Coupons overprinted "A" in red; "FIFTY DOLLARS." on reverse in red. Strictly Very Fine, though microscopically impaired. Excessively rare, not in Bradbeer. This note, which cost \$12.00 during the peak of the Depression, is one of the finest known. It is easily an R-8 item, and far more difficult to locate than either the \$500. or \$1,000. CSA "Montgomery" bills. (\$25.00)
- 54 North Carolina. Jan. 18, 1862; Written date. \$100. Agricultural tools and products at centre; Commerce seated at r. Plate letter: A; No. 667. Like the last, a "Manouvrier" note. Printed on the back of a N. C. bond also, but the coupons in red instead of black, and the reverse sans red overprinting of any kind. B-74. Very Fine, in spite of a very few unimportant flaws. Only the

second specimen of this great rarity that we have seen in over fifteen years, and by far the finest of the two. Far, far superior to the tattered example illustrated in Bradbeer on page 144, and probably the finest available example. With the \$50., the rarest North Carolina note, and one of the great rarities in the entire series. Much harder to obtain than the vaunted 1861 \$5. CSA "Indian Princess" of which we have handled several during the past year or two.

- The appearance of a quantity of the \$5. and \$10. March 2, 1872 "Type-set" notes in this offering should not influence their value or desirability. This is the only hoard known to us, and collectors must not confuse these items with the far commoner engraved varieties, of the same issue.

An Important Offering of Autographed and Freak Notes

Almost a year ago, in our fortieth catalog, we were a bit premature in announcing that interest in this remarkable series was at an all time high. During the past eight months, the demand for this material has increased steadily, and now has reached a point where many items are extraordinarily difficult to locate.

The Crosswhite collection should prove a boon to many collectors, as a good part of it is more a hoard than a collection. We are proud to present this offering, generous as it is in so many of the most popular notes.

As an afterthought, we would like to add a word of advice to the many new collectors entering the field. Experience will soon prove that a good many types and varieties cannot be obtained in absolutely perfect condition. Do not pass up the "Extremely Fine" bill. While waiting for the non-existent "Crisp Gem," you may not even be able to relocate the Ex. Fine note. Do not set your sights too high. By all means collect clean, attractive specimens, but do not insist on perfection. A frustrated collector is hardly a man enjoying his hobby.

DEMAND NOTES

Demand Notes were authorized by Acts of Congress, July 17, 1861 and August 5, 1861 and are dated August 10, 1861. All were issued prior to April 1, 1862, and are payable at New York, Philadelphia, Boston, St. Louis and Cincinnati. They are the only notes without the seal of the United States Treasury. **All are very rare, and are next to impossible to obtain in nice condition.**

- 93 \$5. Payable at **New York**. Serial No. 4247. While purchased as Very Fine, we would call this note strictly Fine, and observe a very few pin-holes at the right centre. Friedberg values this item at \$100.00 in Fine, which well might be its potential worth.
- 94 \$5. Another. No. 60116. Very Good. Slightly torn and impaired at the edges. Still, a clean and acceptable example of a Demand Note.
- 95 \$5. A third. No. 4270. A shade better than Good, but not if you count the few pin-holes and short inscription in red ink upon the top left margin of the reverse. Well worth \$25.00.
- 96 \$5. Payable at **Philadelphia**. No. 18890. A note with some claims to Fine, but at best only V. Good. Mainly clean, it is somewhat soiled between the heavy creases at the centre and left. There are a few pin-holes, and the bottom left margin is slightly tattered, which happily does not touch the design proper.
- 97 \$20. Payable at **Philadelphia**. No. 7204. A clean appearing specimen, which from the lone standpoint of wear could be called Fine. However, this note has been completely torn and mended from the right crease to the edge; the length of the right crease, and at the top and bottom of the left crease. The upper left corner has been slightly clipped, and careful study reveals three or four other similar impairments, along with several pin-like holes at centre. Hardly as bad as the description implies, and still an item that is worth from \$400. to \$600. in strictly Fine condition.
- 98 \$5. Payable at **Boston**. No. 30083. Strictly Very Good, though with numerous small, hardly visible pin holes. The edges of this bill mainly appear clean and complete. Also valued at \$100. in Fine by Friedberg, although a trifle scarcer than either the New York or Philadelphia notes. Above average.
- 99 \$5. Another. No. 47509. Almost Very Good, not quite the equal of the last. Slightly impaired and neatly mended, but with fewer pin holes than the preceding. Well worthy of a home in most collections.
- 100 \$20. Payable at **Boston**. No. 21180. Another extremely rare high denomination Demand Note. This item, like lot 97, is generally clean looking, but has been damaged and repaired to an even greater extent than its counterpart. It appears to be almost completely torn and mended at the three main creases, and in addition has a few small pieces of the edge missing at both top and bottom and the left. The most serious flaw in this respect is the lower left corner, which has a piece torn away extending 22mm along the bottom margin, averaging in depth about 4mm. Better than a space-filler, considering the few examples known and their degree of preservation. **Unpriced** in Friedberg's "Paper Money of the United States."

- 101 **\$5.** Payable at **Cincinnati**. No. 9689. Only about Fair, but an extremely rare item. Likewise unpriced in the Friedberg book. The Grinnell copy was only about Very Good, and had a longer tear in it than the specimen at hand. In the catalog of the Grinnell collection, it was compared in rarity to the 1793 "Strawberry Sprig" Cent.

LEGAL TENDER NOTES

First issue, by Act of Congress, February 25, 1862, are dated March 10, 1862. The Second issue, by Act of Congress, July 11, 1862, are dated August 1, 1862. The third issue, by Act of Congress, March 3, 1863, are dated March 10, 1863. The Fourth issue, by Act of Congress, March 3, 1863, were issued in Series of 1869, 1874, 1875, 1878, 1880, 1907, 1917 and 1923. The Fifth issue, authorized by the Legal Tender acts of 1862-63 was issued in the Series of 1901.

- 102 **\$1.** Second issue, **August 1, 1862.** Without ABN Co. Chittenden & Spinner. Red seal. Low No. 740. Choice Unc. Cropped rather close at top, and with faint hinge marks at the top of the reverse.
- 103 **\$1.** Another. Low No. 776. Choice Unc. Also cropped close at top, and with a single, solitary pin hole at lower l. centre.
- 104 **\$1.** Another. Low No. 792. Almost Unc. Close inspection reveals a few old and light creases at the lower corners, and one faint pin-hole at the lower left. There is also a rust spot slightly to the right of centre, which shows on both sides. A crisp note, though hardly perfection.
- 105 **\$1.** Another. Low No. 1873. Choice Uncirculated. Somewhat above average.
- 106 **\$1.** Another. No. 39269. Choice Unc. Slightly off-center, particularly toward the bottom part of the reverse. We also note light ink marks at the upper left obverse corner.
- 107 **\$1.** Another. No. 39273. Unc., mostly crisp. On the main nicely centered, but with a single, pin-point hole at lower l. centre, and displaying slight soil marks from counting at the extreme right end.
- 108 **\$1.** Another. No. 39749. A bright, crisp Unc. beauty, though off-center upon the reverse.
- 109 **\$1.** Another. No. 39753. Choice Unc. Mostly crisp, but off-center at the bottom of the note (upon both sides), and with a microscopic edge tear on the lower margin.
- 110 **\$1.** Another. No. 40338. Choice Unc. Mainly crisp, and normally centered.
- 111 **\$1.** Similar; **ABN Co. monogram** near center at right edge of obverse. Three examples of this very scarce variety, averaging V. Good. 3 Pcs.
- 112 **\$2. 1862.** Chittenden & Spinner. Red seal. No. 4918. Just a hair's breadth from Unc. Faint traces of a crease or so can be made out upon careful scrutiny; otherwise this note is a bright, clean copy.
- 113 **\$2.** Another. No. 22496. Uncirculated. Unfortunately, this example shows its age, having lost some of the freshness apparent with the preceding. Also, the right end displays the usual tell tale marks of counting. Still, a note that has not seen circulation, and one that merits examination.
- 114 **\$2.** Another. No. 44931. Unc. Mostly crisp, this evenly centered beauty also shows "counting signs" at the right end, and has one pin hole beneath Spinner's first initial, together with two more minute ones on the margin below Hamilton's portrait. Both it and the last are superior to the copy in our fortieth catalog, and all three excel the specimen offered in the Numismatic Gallery's 1951 sale.
- 115 **\$1. and \$2.** As previously described. Nos. 40426 and 4906. Choice Unc. and Ex. Fine. The \$2. note is better centered than its mate, and is really a bright, attractive item. 2 Pcs.
- 116 Another pair, as last. Nos. 40478 and 4926. Choice Unc. and Ex. Fine. 2 Pcs.
- 117 Another pair, as the two preceding. Nos. 41474 and 85855. Unc. and Abt. Unc. The first has two pin holes slightly right of centre, and the \$2. note, while mostly crisp, displays a slight crease at centre, plus a rather weak looking seal. In great demand, as are all of these. 2 Pcs.
- 118 **\$5.** First issue, **March 10, 1862. First obligation**, convertible in 6% bonds. Chittenden & Spinner. Red seal. No. 43696. Crisp Uncirculated. Well above average. Worth \$45.00, according to Friedberg.
- 119 **\$5.** Another. Also, **\$5. Second obligation**, the "unconvertible" note. Second printed by both the American and National Bank Note Companies. Fine, last rare. 2 Pcs.
- 120 **\$5.** Third issue, **March 10, 1863.** Chittenden & Spinner. Red seal. **Type with single serial No.** 37882 on the upper right side of the note only. Crisp Unc. An exceptionally nice bill, in spite of a pin-point size rust spot at the centre of the note, visible upon both sides. Should bring \$35.00 on today's market.

- 121 \$5. Another. No. 37890. Choice Unc. Nicely centered, and better than many offered.
- 122 **\$5. Similar; type with double serial No. 56198** on both the upper right side, and lower left side of the note. Abt. Unc. Nicely centered, but with four pin holes at the lower middle part of the note. Rarer than the two preceding, and a "type" overlooked by both Raymond and Friedberg.
- 123 \$5. 1862; Second obligation. **\$10. 1862; First obligation.** Chittenden & Spinner. Red seal. Very Good and Fine; the first rare, the \$10. uncommon and worth \$30.00. 2 Pcs.
- 124 \$5. 1863; both types, with and without the double serial number. Abt. Ex. Fine, and Fine to V. Fine. First choice, and worth \$35.00, being rarer than the single number type. 2 Pcs.
- 125 \$10. 1862; First obligation. **\$20. 1862; Second obligation.** Chittenden & Spinner. Red seal. Both almost Fine, the first torn into at the upper left top margin, and a small piece missing. The \$20. also has a few small tears at the margins, and a weak seal. However, it is considered quite rare, being valued at \$100.00 by Friedberg in V. Fine. 2 Pcs.
- 126 **\$1. Fourth issue; Series of 1869.** Allison & Spinner. L. Red (Spikes) seal. No. V9297155*. Crisp Unc. Evenly centered, and worthy of a generous bid.
- 127 \$1. Another. No. V9297695*. Choice Unc. Almost the equal of the last, but with a single, microscopic pin-hole near the centre.
- 128 \$1. Another. No. V9297699*. A perfect match for the preceding, even to the lone pin-hole. Like the last, currently a \$35.00 item.
- 129 \$1. Another. No. V9297703*. The third crisp beauty with a solitary pin-hole, also at the centre.

While on the subject of pin-holes, we might relate that, like snakes, they generally seem to come in pairs. When cataloging a note, we hold the lot up to a light. Therefore, the only pin-holes mentioned are those which are readily visible. Pinning money was apparently a great indoor sport in Grandfather's day, as a very high percentage of the earlier notes display pin-holes. Finally, we might add that our descriptions include the smallest defects, including the smallest pin-holes. We would appreciate due consideration of this factor when bidding, as some of our competitive offerings are hardly described in so meticulous a manner.

- 130 \$1. Another. No. V9297707*. Crisp Unc. The fourth and last note with the inevitable pin-hole.
- 131 \$1. Another. No. V9298412*. Crisp Uncirculated. A gorgeous beauty, and like the five preceding, Friedberg #18 (valued by him at \$40.00).
- 132 **\$2. 1869.** Allison & Spinner. L. Red (Spikes) seal. No. E8194502*. Nicely centered, and free from any signs of circulation. However, this note, which is mostly crisp, displays numerous minute pin-holes mainly at the lower centre, together with the faintest indications of counting. Underrated as are most \$2. bills, and valued, like the \$1. notes in this series, at \$40.00 by Friedberg.
133. **\$5. 1869.** Allison & Spinner. L. Red (Spikes) seal. No. K2755769*. Crisp Unc. Hardly a rare note, but very scarce in such splendid preservation. We seriously question Friedberg's valuation of \$45.00 on this item, which in our estimation is more than double its true worth.

In 1869, the initial Series of the Fourth issue, the Government began the use of silk fibre paper.

- 134 **\$10. 1869.** Allison & Spinner. L. Red (Spikes) seal. No. H7178410*. The first of the famous "Jackass" notes. Crisp Unc., but showing age (?) marks around the outside of the note upon both sides; a single pin-hole at centre, and finally, microscopic scaling of the paper at the lower right hand corner of the obverse. Valued by Friedberg at \$65.00 when perfect, but actually worth less.

The \$10. Legal Tender notes of the Series 1869-80 have long been popularly called "Jackass" notes because of the small eagle on the lower center obverse. This eagle, when inverted, resembles a donkey's head.

- 135 \$10. Another. No. H7178546*. Choice Unc. Easily worth \$45.00 today.
- 136 \$10. Another. No. H7178646*. Only a shade from perfect.
- 137 \$10. Another. No. H7178662*. Choice Unc. Somewhat off-center upon the reverse, as are most of these, and with two slight pin-holes at left.
- 138 \$10. Another. No. H7178666*. Crisp Unc. Cropped slightly at the bottom part of the reverse.
- 139 \$10. Another. No. H7178686*. Crisp Unc., like the last.
- 140 \$10. Another. No. H7178710*. Crisp Unc., as the two preceding.
- 141 \$10. Another. No. H7178714*. Crisp Unc. Also a nice note of exceptional beauty and interest.
- 142 \$10. Another. No. H7178722*. Crisp Unc., but with a microscopic rust spot (visible upon both sides), at the upper right centre. The offering of a quantity

of these (and other) notes in this sale hardly indicates their true scarcity. There are few old collections of this caliber to be broken up, and shortly after the conclusion of this offering, items such as the \$10. 1869 will be as hard to obtain as ever.

- 143 \$5. and \$10. As previously described. Very Fine and Ex. Fine. 2 Pcs.
- 144 Another pair, as last. Fine to V. Fine, and about Ex. Fine; the reverse of the \$10. well off-centre, and its obverse showing slight surface scale marks. 2 Pcs.
- 145 **\$1.** Fourth issue; **Series of 1874.** Allison & Spinner. Red (Rays) seal. No. H1597306. Choice Unc. Perfectly centered, with bright, vivid impressions. Almost perfect, and one of the nicest examples of this rarity that we have offered.
- 146 **\$2. 1874.** Allison & Spinner. Red (Rays) seal. No. B1265362. Uncirculated. Mostly crisp, and, like the preceding, almost perfect. Unfortunately, careful examination reveals four pin-holes slightly left of centre, and the lightest, hardly noticeable, signs of counting at the right end. One of the rarest, and most underrated notes in the entire Legal Tender group.
- 147 **\$1.** Fourth issue; **Series of 1875.** Allison & New. Red (Rays) seal. No. H5242492. Crisp Uncirculated. Currently bringing to \$15.00.
- 148 \$1. Another. No. H6028593. Crisp Unc., but somewhat off-center at the top of the obverse.
- 149 **\$1.** 1875. **Series C.** Allison & New. Red (Rays) seal. No. D181131. Fine or better. An evenly circulated note, free of damage and maltreatment. Catalogs at \$50.00 so.
- 150 **\$2. 1875.** Allison & New. Red (Rays) seal. No. B1882457. Choice Uncirculated. This note is rather close at the top of the obverse, and there are two or three unimportant pin-holes slightly to the left of centre. Even though the upper right hand corner of the obverse also displays signs of counting, this is a splendid specimen of an underrated item.
- 151 **\$2.** 1875. **SERIES B.** Allison & New. Red (Rays) seal. No. B556678. Perfect, crisp Uncirculated. Probably the finest example of this rarity that we have offered, being slightly superior to lot 135 of our 40th sale. A note that should bring \$75.00 or more.
- 152 **\$5. 1875.** Allison & New. Red (Rays) seal. No. B2461449. Another Uncirculated note with a few, unimportant, flaws. For instance, this bill is slightly soiled at the right end, by counting, as so many are. Valued by Friedberg at \$35.00.
- 153 **\$5.** 1875. **SERIES B.** Allison & New. Red (Rays) seal. No. B337367. Crisp Unc. Evenly centered, and a bright, nicely printed note. Underrated by both Raymond and Friedberg, who place it on an even par with the regular type (lot 152).
- 154 **\$1.** 1875. Allison & Wyman. Red (Rays) seal. No. K1158813. Crisp Unc. Above average.
- 155 \$1. Another. No. K4467843. Crisp Unc. Almost perfect.
- 156 \$1. Another. No. K4467847. Crisp Unc. Another beauty.
- 157 \$1. Another. No. K4467851. Crisp Unc. Nicely centered, like most of these.
- 158 \$1. Another. No. K4467855. Crisp Unc. A "Gem" example.
- 159 \$1. Another. No. K4467971. Crisp Unc. Small pin-hole at centre.
- 160 \$1. Another. No. K5222989. Crisp Unc. Almost perfect.
- 161 \$1. Another. No. K5223193. Crisp Unc., like the last.
- 162 \$1. Another. No. K8210112. Choice Unc. Fully crisp, but displaying signs of age, which almost resembles staining at the bottom right obverse margin. The extreme right end also shows indications of counting, and a solitary, microscopic pin-point hole. Friedberg #26, and like the eight preceding, valued by him at \$17.50.
- 163 \$1. Allison & Wyman: \$2. Allison & New. As previously described. Very Fine and Fine to V. F., the last underrated, but showing evidence of a heavy centre crease. Should bring \$20.00. 2 Pcs.
- 164 **\$2.** 1875. Allison & Wyman. Red (Rays) seal. No. B6196512. Ex. Fine. An acceptable note, and a rare one. Seldom offered, in any condition, and definitely underrated.
- 165 \$1. 1869; Allison & Spinner: \$1. 1875; Allison & New: \$2. 1875; Allison & Wyman. All three, as previously described. Ex. Fine or better. A nice group, well worth \$40.00. (Valued by Friedberg, in only Very Fine, at \$52.50.) 3 Pcs.
- 166 **\$5.** 1875. Allison & Wyman. Red (Rays) seal. No. B4993305. Choice Unc. A nice note, but with the inevitable traces of handling (counting) at the right end of the obverse, together with two microscopic pin-point holes. According to Friedberg, a \$35.00 item.

- 167 \$5. Another. No. B6853414. Crisp Unc. A choice, almost perfect bill, superior to the last.
- 168 \$1. Fourth issue; **Series of 1878**. Allison & Gilfillan. Red (Rays) seal. No. A494347. Absolutely Uncirculated. A crisp, nicely centered beauty!
- 169 \$1. Another. No. A5959983. Crisp Unc. Like the last, Friedberg #27, and valued by him at \$20.00.
- 170 \$1. Two more. Nos. A3828539 and B2257199. Almost Unc., the first with a pin-hole at centre, and the second somewhat soiled upon the reverse. 2 Pcs.
- 171 \$2. **1878**. Allison & Gilfillan. Red (Rays) seal. No. A196573. Uncirculated crisp. A beautiful bill, nicely centered. Worth from \$25.00 to \$30.00 today.
- 172 \$2. Another. No. A640885. Crisp Unc. Even nicer than the last, being brighter and stronger in appearance.
- 173 \$5. **1878**. Allison & Gilfillan. Red (Rays) seal. No. A1668520. Crisp Unc. Just about perfect, and a "sleeper" item. Friedberg values this bill at \$50.00, which is just about its true worth.
- 174 \$1. Fourth issue; **Series of 1880**. Scofield & Gilfillan. L. Brown (Spikes) seal. No. Z4973731. Unc. Mostly crisp, but cropped rather closely at the left end.
- 175 \$2. **1880**. Scofield & Gilfillan. L. Brown (Spikes) seal. No. Z5724422. Abt. Unc. A crisp bill that has unfortunately been seriously soiled at the upper right hand part of the obverse. Close examination also reveals three or four pin-holes at the centre. Still, this note has not seen circulation, and perhaps can even be improved somewhat in appearance. Worth \$20.00 at least.
- 176 \$5. **1880**. Scofield & Gilfillan. L. Brown (Spikes) seal. No. Z2633872. Abt. Very Fine. According to Friedberg, worth \$27.50.
- 177 \$10. **1880**. Scofield & Gilfillan. L. Brown (Spikes) seal. No. Z163527. Strictly Uncirculated. Seldom offered in top preservation, and should realize close to \$50.00 so.
- 178 \$1. **1880**. Bruce & Gilfillan. L. Brown (Spikes) seal. No. Z29533110. Crisp Unc. Nicely centered and choice.
- 179 \$1. Another. No. Z29533147. Choice Unc. Almost perfect. Definitely scarcer than the Scofield & Gilfillan combination.
- 180 \$1. Another. No. Z30450968. Crisp Unc. A nice bill, but one showing faint signs of age.
- 181 \$2. **1880**. Bruce & Gilfillan. L. Brown (Spikes) seal. No. Z11106446. Choice Unc., but with a single pin-hole at centre. Almost perfect, and seldom offered so.
- 182 \$5. **1880**. Bruce & Gilfillan. L. Brown (Spikes) seal. No. Z8177380. Uncirculated crisp. Worth about \$35.00 (against Friedberg's valuation of \$40.00).
- 183 \$1. **1880**. Bruce & Wyman. L. Brown (Spikes) seal. No. Z38748748. Choice Unc.
- 184 \$1. Another. No. Z38748966. Just about perfect, like the last.
- 185 \$1. Two more. Nos. Z49548321 and Z49548413. Choice, crisp Unc. 2 Pcs.
- 186 \$1. Three more. Nos. Z40774420, Z52741345 and Z54103164. Abt. Unc., and Uncirculated (2). Both of the last very slightly impaired. 3 Pcs.
- 187 \$2. **1880**. Bruce & Wyman. L. Brown (Spikes) seal. No. Z22912650. Crisp Unc. Better than the one in our 40th sale. Not rare, but hard to locate perfect.
- 188 \$5. **1880**. Bruce & Wyman. L. Brown (Spikes) seal. No. Z18151602. Uncirculated crisp, and a perfect mate for the last. Also better than the one in our 40th sale, and likewise underrated in tip top shape.
- 189 \$5. **1880**. Bruce & Wyman. L. Red (Plain) seal. No. A319121. Choice Unc., and almost perfect. Valued by Friedberg at \$45.00.
- 190 \$5. **1880**. Rosecrans & Jordan. L. Red (Plain) seal. No. A5093205. Very Fine, and, according to Friedberg, a \$30.00 note.
- 191 \$10. **1880**. Rosecrans & Hyatt. L. Red (Spikes) seal. No. A4705274. Choice Unc. A bright, vivid, crisp beauty, but careful scrutiny reveals slight indications of counting at the extreme right end. Still, an exceptional note, and a very rare one so fine. The Grinnell example was only "Pract. Unc." and, according to the catalog, "Mr. Grinnell stated this variety could not be improved."
- 192 \$10. Another. About Very Fine. Valued by Friedberg at \$40.00. Rare, in any condition.
- 193 \$20. **1880**. Rosecrans & Hyatt. L. Red (Spikes) seal. No. A3020420. Ex. Fine or better, and retaining considerable, if not all, its crispness. A seldom offered item, well worth a generous bid.
- 194 \$2. **1880**. Rosecrans & Huston. L. Red (Spikes) seal. No. A1052559. Ex. Fine plus. Another crisp bill, this one free from circulation, but somewhat impaired at the extreme right end. Very rare and valuable, even when not perfect. Valued at \$50.00 in only Fine by Raymond, and \$65.00 V. Fine by Friedberg.

- 195 \$5. 1880. Rosecrans & Huston. L. Red (Spikes) seal. No. A14335716. Crisp Unc. A bright, sparkling specimen. A \$65.00 note, according to Friedberg.
- 196 \$10. 1880. Rosecrans & Huston. L. Red (Spikes) seal. No. A8426632. Marked "Crisp," this note meets all the requirements. However, careful examination with a glass, reveals traces of a centre crease. Only a few of this signature combination issued. A magnificent bill, boldly and clearly printed, and one that should be seen.
- 197 \$20. 1880. Rosecrans & Huston. L. Brown (Spikes) seal. No. A5866961. Just about Very Fine, but lightly soiled upon the reverse. A \$75.00 note in Very Fine, on the basis of the Friedberg book. Rare, and seldom offered in any condition.
- 198 \$1. 1880. Rosecrans & Nebeker. S. Red (Scalloped) seal. No. A2860988. Almost Unc. Crisp, but creased at the lower right hand corner, and somewhat soiled at the same spot upon the obverse.
- 199 \$1. Another. No. A3766091. Ex. Fine or better. Partly crisp, but seriously soiled at the right end, and the corresponding part of the reverse.
- 200 \$10. 1880. Rosecrans & Nebeker. S. Red (Scalloped) seal. No. A13445168. Crisp Unc. All of the so-called "Jackass" notes in this condition are very scarce, the choice specimens being very limited.
- 201 \$1. 1880. Tillman & Morgan. S. Red (Scalloped) seal. No. A5628305. Just about Unc. Nicely centered, but only partly crisp.
- 202 \$1. Another. No. A5628343. Choice Unc., and therefore superior to the last. Worth close to \$15.00 today.
- 203 \$2. 1880. Tillman & Morgan. S. Red (Scalloped) seal. No. A3610630. Strictly Uncirculated, but with a very slight tear on the right margin which does not touch the note's design.
- 204 \$10. 1880. Bruce & Roberts. S. Red (Scalloped) seal. No. A25139084. Very Fine or better. A boldly printed and attractive item, valued by Friedberg at \$30.00.
- 205 \$10. 1880. Lyons & Roberts. S. Red (Scalloped) seal. No. A25457740. Choice Unc. Fully crisp, but with the usual, unimportant indications of counting at the right end. Not a rare note in used condition, but a hard one to locate choice.
- 206 \$20. 1880. Elliott & White. S. Red (Scalloped) seal. No. A2423553A. Very Fine. Valued by Friedberg at \$50.00 so.
- 207 \$10. Fifth issue; **Series of 1901**. Speelman & White. S. Red (Scalloped) seal. No. E59948984. Choice Unc. Hardly rare or scarce, but a magnificent note, beautifully designed and engraved. Listed by Friedberg at \$35.00, which is entirely too high.
- 208 \$10. Three more. Vernon & McClung, Fine, but washed; Elliott & White, Ex. Fine; Speelman & White, Very Fine plus. Last two desirable. 3 Pcs.
- 209 \$5. Fourth issue; **Series of 1907**. Vernon & Treat. S. Red (Scalloped) seal. Low No. A51. Choice Unc. A beautiful bill, easily worth \$20.00 with the low serial number.
- 210 \$5. 1907. Vernon & McClung. Seal as the last. No. B13137522. Crisp Unc. Above average.
- 211 \$5. 1907. Parker & Burke. Seal as the last. Low No. E12. Choice Unc. Highly attractive, and of particular value with the very low serial number.
- 212 \$5. 1907. Speelman & White. Seal as the last. Cut sheet of four notes with the consecutive serial numbers, M16633117 to M16633120. Choice Unc. A highly interesting item for display. Valued at \$70.00 as individual notes by Friedberg. 4 Pcs.
- 213 \$5. Two more. A consecutive pair, preceding the last in sequence. Nos. M16633115-16. Choice Unc. Like the last, cropped slightly close at the top of the obverse. A normal occurrence, which hardly impairs their value. 2 Pcs.
- 214 \$5. Another. No. M47668076. Choice Unc., and nicely centered, front and back.
- 215 \$5. Similar. A set of five different signature combinations. Napier & McClung, B78149753; Teehee & Burke, E92720003; Elliott & White, H67332883; Speelman & White, M47668074; Woods & White, M47640969. Ex. Fine to Uncirculated (1). A nice set. 5 Pcs.

- 217 \$1. Eight Teehee & Burke notes, the first three with consecutive serial numbers. Average Ex. Fine. 8 Pcs.
- 218 \$1. Twelve more, like the last. The first four with consecutive serial numbers. Also Ex. Fine or so. 12 Pcs.

- 219 **\$2. 1917.** Teehee & Burke. Nicely centered, and choice Unc. The specimen in our 40th sale realized \$8.50 against an \$8.50 estimate.
- 220 \$2. Another. Uncirculated. Mostly crisp. Listed at \$10.00 by Friedberg.
- 221 \$2. Three more. Abt. Unc., V. Fine, and Ex. Fine. 3 Pcs.
- 222 \$1. 1917. Elliott & Burke. A consecutive pair; Nos. H50353669-70A. Crisp Unc. Worth \$8.00. 2 Pcs.
- 223 \$1. 1917. Elliott & Burke. Also, **\$1.** The transposed signatures, Burke & Elliott. Crisp and choice Uncirculated, the latter rare in top preservation. 2 Pcs.
- 224 **\$2.** 1917. Elliott & Burke. Low No. B21A. Crisp Unc. A splendid and valuable note.
- 225 \$2. Another. Low No. B27A. Crisp Unc. Almost as desirable as the last.

- 227 \$1. and \$2. Another pair, like the preceding. Ex. Fine and V. Fine. 2 Pcs.
- 228 **\$1.** 1917. Elliott & White. Seven specimens, the first four consecutively numbered. Average Ex. Fine. 7 Pcs.
- 229 **\$2.** 1917. Elliott & White. Choice Unc. Almost completely crisp. Valued by Friedberg at \$10.00.

- 234 \$1. and \$2. Speelman & White. Rare and popular "Star" notes. Uncirculated, though not absolutely perfect. Seldom offered. 2 Pcs.

- 237 \$1. and \$2. Another pair. Unc., like the last. 2 Pcs.
- 238 \$1. and \$2. Another pair. Unc., as the preceding. 2 Pcs.
- 239 \$1. and \$2. The last pair. Choice Unc. Friedberg values these two notes at \$4.50 and \$8.00. 2 Pcs.

244. \$2. As the last. Nos. E26171009A to E26171012A. Unc., mostly crisp. These will never be cheaper. 4 Pcs.
- 245 \$2. As the last. Nos. E26171013A to E26171016A. Crisp Unc. Should easily bring \$27.50. 4 Pcs.
- 246 \$2. The end of the cut sheets. Nos. E26191685A to E26191688A. Crisp Unc. Attractive display items. 4 Pcs.
- 247 \$2. As the foregoing. Lot of ten specimens. All Uncirculated, and mostly crisp. A splendid opportunity for the far sighted collector or dealer. 10 Pcs.
- 248 \$5. 1907; Vernon & McClung: \$1. 1917; Speelman & White: \$2. 1917; Speelman & White. Fine and about Ex. Fine (2). 3 Pcs.

TREASURY OR COIN NOTES

These notes were authorized by an Act of Congress, July 14, 1890, and were issued in the Series of 1890-91. They were to be used for the purchase of silver bullion, which Congress directed the Secretary of the Treasury to purchase from time to time, in accordance with the Act. Oddly enough, they were redeemable in gold or silver coin at the discretion of the Secretary of the Treasury.

- 257 **\$1. Series of 1890.** Rosecrans & Huston. L. Brown (Spikes) seal. No. A867136. Abt. Fine. "Perrys" lightly written, and "JUL 24" lightly stamped immediately left of ONE DOLLAR upon the obverse. An acceptable example of this rare item, which Raymond lists at \$35.00 so.
- 258 **\$2. 1890.** Rosecrans & Huston. L. Brown (Spikes) seal. No. A2575850. Almost Unc. This crisp beauty is only a shade from perfect, and is the equal of the specimen in our 40th sale which (on a considerably lower market) realized \$52.50. Seldom found better.
- 259 **\$2.** Another. No. A201749. Abt. Very Fine. Noticeably creased at the three main folds. Well worth \$45.00 today.
- 260 **\$5. 1890.** Rosecrans & Huston. L. Brown (Spikes) seal. No. A2829078. Marked "Uncirculated," this bill is fully crisp and clean. Unfortunately, careful examination reveals a hardly visible crease at the lower left hand corner, and an equally unimportant pinhole at left centre. A \$65.00 note.
- 261 **\$5.** Another. No. A3442655. Fine to V. Fine. Slightly stained, particularly at the right end. V. Scarce.
- 262 **\$10. 1890.** Rosecrans & Huston. L. Brown (Spikes) seal. No. A693397. Abt. Very Fine. Somewhat wrinkled, but a nice example of this note, which does not appear often.
- 263 **\$10.** Another. No. A1103122. Bust of Gen. Philip H. Sheridan, like the last. Also close to V. Fine, this example is approximately the equal of the preceding. Valued at \$40.00.
- 264 **\$1. 1890.** Rosecrans & Nebeker. L. Brown (Spikes) seal. No. A4707527. Just about V. Fine. Listed by Friedberg at \$45.00 in VF.
- 265 **\$2. 1890.** Rosecrans & Nebeker. L. Brown (Spikes) seal. No. A2619797. Ex. Fine, mostly crisp. Attractive and desirable, this note is nicely centered as are most of these. A very rare and underrated item, considering that a Fine plus specimen brought \$46.00 back in our 37th sale, two years ago, and that a crisp example realized \$102.50 in our 40th sale last year.
- 266 **\$1. 1890.** Rosecrans & Nebeker. Small red seal. No. A6594681. Fine or better, the centre crease rather obvious. Rare.
- 267 **\$5. 1890.** Rosecrans & Nebeker. Small red seal. No. A5085160. Uncirculated. Nearly, but not quite absolutely perfect. Still, one of the best that we have seen. Should bring \$75.00 today.
- 268 **\$1. Series of 1891.** Rosecrans & Nebeker. Small red seal. No. B9439713. Choice Unc. Scarce so nice.
- 269 **\$2. 1891.** Rosecrans & Nebeker. Small red seal. No. B120416. Uncirculated. A clean, crisp note, just about perfect, but showing traces of hinging or mounting at the top of the reverse. However, this bill, like so many of the same denomination, is definitely scarcer than commonly known.
- 270 **\$5. 1891.** Rosecrans & Nebeker. Small red seal. No. B1205423. Just about Uncirculated. A crisp note, but one slightly soiled at the right end, creased at the very point of the lower right hand corner, and with a minute pin hole or so at the centre. Still, an item well worth \$30.00.
- 271 **\$5.** Another. No. B1205436. Apparently from the same group as the last, but cleaner, and much closer to being a crisp, Uncirculated specimen. Evenly centered, and above average.
- 272 **\$1. 1891.** Tillman & Morgan. Small red seal. No. B15373545. Uncirculated, but with the usual, unimportant "counting" wrinkles that hardly compromise a note's crispness.
- 273 **\$1.** Another. No. B22102884. Choice Unc. On the order of the preceding. Very popular, but somewhat over-catalogued by Friedberg at \$20.00 so.
- 274 **\$1.** Another. No. B31592882. Extremely Fine. Cleverly washed and ironed.
- 275 **\$1.** Two duplicates. Rosecrans & Nebeker; Tillman & Morgan. Abt. Fine and Fine to V. Fine, the reverse of the first slightly stained. 2 Pcs.
- 276 **\$2. 1891.** Tillman & Morgan. Small red seal. No. B11354899. Choice Unc. Almost fully crisp and perfect. Superior to the example in our 40th sale. Records to \$25.00.
- 277 **\$5. 1891.** Tillman & Morgan. Small red seal. No. B11340272. Choice Unc. A worthy mate for the last, even considering a few slight "counting" imperfections at the right end. Worth \$35.00 or so.

- 278 **\$20. 1891.** Tillman & Morgan. Small red seal. No. B383719. Fine. This bill, portraying John Marshall, is actually a very scarce "type" item, being the only obtainable 1891 \$20. Coin Note.
- 279 **\$1.** 1891. Bruce & Roberts. Small red seal. No. B51358213. Unc. Nicely centered, but displaying slight indications of age at the top (upon both sides). Becoming quite scarce.
- 280 **\$1.** Another. No. B52046776. Crisp. Unc. Above average.
- 281 **\$2.** 1891. Bruce & Roberts. Small red seal. No. B18017613. Abt. Extremely Fine, the reverse seemingly brighter than the obverse. Equal to the specimen in our 40th sale, and (for some strange reason) hardly ever found better.
- 282 **\$2.** Another. No. B17380014. Just about Fine. An acceptable example of a scarce item. Listed by Raymond at \$10.00 so.
- 283 **\$5.** 1891. Bruce & Roberts. Small red seal. No. B14939266. Strictly Fine, or even a little better.
- 284 **\$10. 1891.** Bruce & Roberts. Small red seal. No. B5561523. V. Good to Fine. Uncommon in any condition.

SILVER CERTIFICATES

The first issue, by Act of Congress, Feb. 28, 1878, Series of 1878 and 1880, were signed by the Assistant Treasurer; the Second issue by Act of Congress, August 4, 1886, were issued in the Series of 1886, 1891 and 1908; the Third issue was in Series of 1896; the Fourth issue was in the Series of 1899 and the Fifth issue was in the Series of 1923.

- 285 **\$10.** First issue; **Series of 1880.** Bruce & Wyman. Large brown seal. Bust of Robert Morris. No. B4862919. Only about V. Good, and showing considerable creasing, but a rare and popular bill even when worn.
- 286 **\$10.** Another. No. B7450901. Very Good plus, and superior to the last. An acceptable specimen, but not worth the forty or fifty dollars commanded by a Very Fine one.
- 287 **\$20. 1880.** Bruce & Gilfillan. Large brown seal. Vignette showing Stephen Decatur. No. B1729857. Strictly Fine. Valued at \$85.00 in Very Fine by Friedberg, and in great demand.
- 288 **\$1.** Second issue; **Series of 1886.** Rosecrans & Jordan. Small red (Plain) seal. No. B570121. Extremely Fine. Valued to \$15.00 so.
- 289 **\$1.** Another. No. B6443587. Crisp Unc. Nicely centered, and generally above average. Listed by Friedberg at \$20.00.
- 290 **\$1.** Another. No. B6443804. Abt. Unc. Crisp, but showing slight signs of handling, including counting (at the right end).
- 291 **\$1.** The fourth and last. No. B6463945. Ex. Fine. A nice bill, showing little creasing, but one somewhat soiled upon the reverse.
- 292 **\$2. 1886.** Rosecrans & Jordan. Small red (Plain) seal. No. B309570. Abt. Fine. Very scarce, and underrated, as are all the 1886 \$2. notes bearing Gen. Hancock's portrait.
- 293 **\$5. 1886.** Rosecrans & Jordan. Small red (Plain) seal. Grant on obverse; five Silver Dollars across the reverse. No. B751089. A crisp, choice beauty, with a solitary, hardly visible crease running vertically through Grant's vignette. While we can't prove it, it is our opinion that the aforementioned crease occurred during printing. Worth every cent of \$40.00.
- 294 **\$1.** Rosecrans & Hyatt. Small red (Plain) seal. No. B15569962. Abt. Unc. Only a single pin hole and faint evidence of folding mar this bill. Crisp and choice.
- 295 **\$2.** 1886. Rosecrans & Hyatt. Small red (Plain) seal. No. B6117678. Choice Unc. Light, unimportant signs of counting at the right end. In great demand.
- 296 **\$5.** 1886. Rosecrans & Hyatt. Small red (Plain) seal. No. B8845914. Unc. Mostly crisp and clean, but with two small pin holes at the left end. An exceptional note, worth \$50.00 today.
- 297 **\$1.** 1886. Rosecrans & Hyatt. L. Red (Spikes) seal. No. B33046707. Crisp Uncirculated. A hard item to obtain so, considering that the one in our 37th sale was only Very Fine, and the one in our 40th sale Abt. Unc.
- 298 **\$2.** 1886. Rosecrans & Hyatt. L. Red (Spikes) seal. No. B13055185. Almost Unc. A bright, crisp bill, showing a solitary pin hole at the top margin, and slight "crinkling" at the right end from counting. Easily worth \$22.50 today.
- 299 **\$5.** 1886. Rosecrans & Hyatt. L. Red (Spikes) seal. No. B9016017. Crisp Unc. A bright, clean, sharp imprint. The best we have seen, and worth a record price.
- 300 **\$5.** Another. No. B18769125. Abt. Fine. The upper left hand corner is torn off without touching the frame of the note. Valued by Raymond at \$20.00 in Fine, this specimen should realize about \$15.00.

- 301 \$5. Another. No. B20453185. V. Good to Fine. Rare, as are all 1886 \$5. notes in any condition.
- 302 **\$10. 1886.** Rosecrans & Hyatt. L. Red (Spikes) seal. No. B8080392. Abt. Unc. A beautiful, crisp note, but unfortunately with a slight, hardly visible crease in the upper right hand corner. Originally purchased as perfect, which it appears to be if you do not turn it over. Seldom offered, and valued by Friedberg at \$65.00.
- 303 **\$1.** 1886. Rosecrans & Huston. L. Red (Spikes) seal. No. B41858559. Off-center (both sides), but crisp Unc. except for the faintest centre crease. Superior to the specimen in our 40th sale, and a very hard note to locate.
- 304 \$1. Another. No. B52113989. Very Fine. Valued by Friedberg at \$20.00.
- 305 **\$2.** 1886. Rosecrans & Huston. L. Red (Spikes) seal. No. B15176047. An Uncirculated note, fully crisp, that has been badly soiled at the right end of the obverse by careless counting. A very difficult bill to find choice, considering that even Grinnell's was not perfect. Conservatively valued by Friedberg at \$40.00 in New condition.
- 306 **\$5.** 1886. Rosecrans & Huston. L. Red (Spikes) seal. No. B23341329. Barely Fine, but decidedly rare.
- 307 **\$1.** 1886. Rosecrans & Huston. L. Brown (Spikes) seal. No. B60720333. Better than Very Fine, and still retaining signs of crispness. A nice note, with records to \$18.00 in this condition.
- 308 \$1. Another. No. B63189936. Abt. Fine, the centre crease particularly obvious. Worth \$12.50 or more.
- 309 **\$2.** 1886. Rosecrans & Huston. L. Brown (Spikes) seal. No. B18250816. Uncirculated. Not a "Gem," but the finest example of this rare note that we recollect handling. Type collectors might remember that this is the only bill of the 1886 \$2. series that bears the brown seal. It is seldom found in choice preservation, and we would not be surprised if it suddenly began to rapidly increase in value.
- 310 **\$5.** 1886. Rosecrans & Huston. L. Brown (Spikes) seal. No. B25575372. Uncirculated. A nice bill, but one unfortunately "crinkled" slightly by counting. Very rare and valuable, particularly in top condition.
- 311 \$5. Another. No B25575387. Almost identical with the last, but considerably brighter, and a little more crisp. The actual rarity of these two items can be fully understood when one considers that even the Grinnell specimen was lightly creased.
- 312 \$5. Another. No. B30655000. Almost Fine. Even rare in this condition, being valued at \$25.00 so by Raymond.
- 313 **\$10.** 1886. Rosecrans & Huston. L. Brown (Spikes) seal. No. B12136758. Fine to V. Fine. Not many of these notes were issued with this combination of signatures, and collectors would be surprised to know how few were still outstanding.
- 314 **\$1.** 1886. Rosecrans & Nebeker. L. Brown (Spikes) seal. No. B64962857. Abt. Fine. Soiled, mainly upon the reverse. Valued at \$20.00 by Raymond in Fine.
- 315 **\$5.** 1886. Rosecrans & Nebeker. L. Brown (Spikes) seal. No. B32238524. Ex. Fine. A beautiful crisp note that has been lightly creased. Seemingly superior to the Grinnell example sold in 1945. According to the catalogers of his collection, Mr. Grinnell stated "That his many years of search for a better specimen was all in vain." Highly desirable and worthy of a generous bid.
- 316 **\$1.** 1886. Rosecrans & Nebeker. Small red (Scalloped) seal. No. B68423548. Choice Unc. Almost fully crisp. A magnificent note, evenly and brightly printed. V. Rare.
- 317 \$1. Another. No. B71437407. Crisp Unc. Just about as perfect and desirable as the last. Valued at \$50.00 by Friedberg.
- 318 \$1. Another. No. B71865179. Very Fine, though still partly crisp. Listed at \$30.00 so in "Paper Money of the United States."
- 319 \$1. The fourth and last. Only about Good, but still rare. Cost \$6.50.
- 320 **\$1.** Second issue; **Series of 1891.** Rosecrans & Nebeker. Small red (Scalloped) seal. No. E10611215. Abt. Ex. Fine. Lists to \$17.50 when perfect.
- 321 **\$2. 1891.** Rosecrans & Nebeker. Small red (Scalloped) seal. Portrait of William Windom. No. E140775. Ex. Fine to Abt. Unc. In great demand.
- 322 \$2. Another. No. E1177963. Fine or better. Apparently washed. Valued at \$15.00 in Fine by Raymond.
- 323 **\$5. 1891.** Rosecrans & Nebeker. Small red (Scalloped) seal. Low No. E8. Uncirculated. Close examination reveals that this bill, while crisp, is hardly perfect. There is a microscopic pin-hole at top centre, together with two or three similar imperfections visible from the reverse only. Also, it is off center, particularly

at the right top obverse margin. On the merit side, the note "looks good," and is quite rare choice. The unusually low serial number also adds to its interest and value.

- 324 \$5. Another. No. E6670580. Strictly Very Fine. Valued at \$20.00 by Friedberg.
- 325 \$1. 1891. Tillman & Morgan. Small red (Scalloped) seal. No. E34162349. Crisp. Unc. An attractive, evenly centered beauty. Above average.
- 326 \$1. Another. No. E36621920. Just about Unc. The most careful scrutiny reveals the slightest trace of a centre crease. Obtained as "Crisp" of course.
- 327 \$1. Another. No. E47652568. Choice Unc. Nice margins. A \$15.00 item, according to Friedberg.
- 328 \$1. Two more. Nos. E57906896 and E64566752. Ex. Fine and Abt. Unc. Mostly crisp and desirable. 2 Pcs.
- 329 \$1. Two duplicates. Rosecrans & Nebeker; Tillman & Morgan. Very Fine. Should bring \$10.00. 2 Pcs.
- 330 \$1. Tillman & Morgan. Four notes. Good, V. Good, Very Fine and almost Ex. Fine. 4 Pcs.
- 331 \$2. 1891. Tillman & Morgan. Small red (Scalloped) seal. No. E15286695. Choice Unc. Nicely centered, but for the perfectionist, "ever so lightly crinkled." Listed to \$35.00, and in strong demand.
- 332 \$2. Another. No. E7716975. Abt. Unc. On the same order as the last, but even more so. Easily worth \$25.00.
- 333 \$2. Another. No. E9073732. Fine to V. Fine. Listed by Raymond at \$15.00 Fine.
- 334 \$2. Another. No. E19125265. Ex. Fine. Strong, vivid impressions. A \$20.00 item.
- 335 \$1. and \$2. Tillman & Morgan. Nos. E52174408 and E9409301. Abt. Unc. and Fine, the last very scarce. 2 Pcs.
- 336 \$5. 1891. Tillman & Morgan. Small red (Scalloped) seal. No. E8289753. Definitely better than Ex. Fine. A nice bill, evenly centered and clean. Valued by Friedberg at \$20.00 V. Fine; \$30.00 New.
- 337 \$5. Two more. Nos. E16562150 and E25691340. Fine, the second torn at left centre. 2 Pcs.
- 338 \$5. and \$10. 1891. Tillman & Morgan. Nos. E21404677 and E6892498. Average Fine. 2 Pcs.
- 339 \$5. and \$10. Another pair. Nos. E25430492 and E21268593. Also Fine. The last valued at \$20.00 so by Raymond. 2 Pcs.
- 340 \$20. 1891. Tillman & Morgan. Small red (Scalloped) seal. Bust of Daniel Manning. No. E5270669. Very Fine. Valued at \$45.00 so.
- 341 \$20. 1891. Parker & Burke. Blue seal. Large blue "XX" added to left centre of note. No. H839593. On the main nicely centered, this scarce bill is quite close to Uncirculated. A bright, highly attractive note, worth a good price.
- 342 \$1. Third issue; **Series of 1896**. Tillman & Morgan. Small red seal. No. 31573965. Crisp Uncirculated. Evenly centered, and a beautiful example of the famous "History Instructing Youth" design. Now in the \$25.00 class.
- 343 \$1. Another. No. 323740. Ex. Fine or better. In great demand.
- 344 \$2. 1896. Tillman & Morgan. Small red seal. No. 794561. To all appearances perfect, this crisp note shows the lightest, and faintest signs of having been folded. Attractively centered and marked "Crisp Unc.," it is still high among the nicest that we have handled. Rising in value faster than they can print catalogs.
- 345 \$5. 1896. Tillman & Morgan. Small red seal. No. 3447107. Crisp Unc. A magnificent note, evenly centered, and a truly splendid example of the highest denomination in the Educational Series. Worth a record price.
- 346 \$5. Two more. Abt. Fine and Good. Popular in any condition. 2 Pcs.
- 347 \$5. Still two more. Very Good average. 2 Pcs.
- 348 \$1. 1896. Bruce & Roberts. Small red seal. No. 56164128. Crisp Unc. A worthy mate for lot 342 above. Now rare and valuable.
- 349 \$1. Two duplicates. Tillman & Morgan; Bruce & Roberts. Ex. Fine and Good. 2 Pcs.
- 350 \$2. 1896. Bruce & Roberts. Small red seal. No. 13643008. Crisp. Unc. Just about perfect, the only possible complaint being in the manner the reverse was printed. A superbly designed and executed bill portraying Science presenting Steam and Electricity to Commerce and Manufacture upon the obverse, and twin vignettes of Fulton and Morse upon the reverse. We look to this note to set a new (bona fide) record price.
- 351 \$5. 1896. Lyons & Roberts. Small red seal. No. 31488943. Very Fine to Ex. Fine, but with a strong centre crease. The scarcest signature combination of this popular type.

- 352 \$5. Another. Very Good plus, but soiled upon the reverse.
- 353 **\$1.** Fourth issue; **Series of 1899.** Lyons & Roberts. Blue seal, as on all following. No. A15180861. Unc., but somewhat crinkled from counting. Also, off-center at the bottom of the obverse, but still an acceptable example of this very scarce signature combination.
- 354 \$1. Another. No. D37065040. Unc. Mostly crisp, but hardly perfect. Centered like the last.
- 355 \$1. Another. No. 70380925. Unc. A perfect facsimile of the preceding, though not crinkled and fully crisp. These catalog at \$12.50 and have become rather difficult to locate.
- 356 **\$2. 1899.** Lyons & Roberts. No. 12755033. Choice Unc. Evenly centered, but showing the slightest indications of folding. Close enough to perfection, and decidedly uncommon in any condition. Superior to the example in our 40th sale.
- 357 \$1. and \$2. Lyons & Roberts. Very Fine and Ex. Fine, the last partly crisp. Valued by Friedberg at \$17.50 in V. Fine. 2 Pcs.
- 358 **\$1.** and **\$2.** 1899. Lyons & Treat. V. Fine and Abt. Unc. The \$2. note crisp, but faintly stained (hardly visible) at the top along with several pin holes. A rare pair, listed at \$20.00 V. Fine in "Paper Money of the United States." 2 Pcs.
- 359 **\$1.** 1899. Vernon & Treat. Choice Unc. Somewhat off-center at the top of both obverse and reverse. A \$5.00 note.
- 360 **\$2.** 1899. Vernon & Treat. Uncirculated and crisp. Better centered than most.
- 361 **\$5. 1899.** Vernon & Treat. No. D15461460. Choice Uncirculated. Nice margins. Records to \$18.00.
- 362 \$5. Another. No. D25401609. Unc. Not quite as nice as the last, being crinkled at the lower left (apparently during printing). Still, a desirable example.
- 363 **\$1.** 1899. Vernon & McClung. Uncirculated perfect. Hardly common so.
- 364 \$1. Another. Just as nice, but ever so slightly crinkled. Lists at \$6.00 in Raymond's 1953 catalog.
- 365 **\$2.** 1899. Vernon & McClung. Another desirable Uncirculated item, though also faintly crinkled.
- 366 \$1. Another Vernon & McClung. Also, **\$1.** 1899. Napier & McClung. Ex. Fine and Abt. Unc., the second crisp and choice. 2 Pcs.
- 367 \$1. and **\$2.** 1899. Napier & McClung. Unc. and nearly so. The \$1. lightly crinkled, and the last slightly creased. Both crisp. 2 Pcs.
- 368 \$1. and \$2. Another pair. Ex. Fine and Abt. V. Fine. Unfortunately, the \$2. bill is cropped very close upon the obverse, and has been creased at the centre. 2 Pcs.
- 369 \$2. Napier & McClung. Crisp Unc. Perfectly centered. Well above average.
- 370 \$2. Another. Choice Unc. A \$10.00 note.
- 371 **\$5.** 1899. Napier & McClung. No. E87715381. Unc., but the slightest shade from perfection. Also, \$2. Same signatures. Ex. Fine. First very scarce, and valued by Friedberg at \$20.00. 2 Pcs.
- 372 **\$1.** 1899. **Napier & Thompson.** Low serial number D91D. Uncirculated. Fully the equal of the specimen in our 40th sale, which while estimated at \$35.00 realized \$50.00. A valuable and thrilling note to own, combining as it does, a low serial number and an extremely rare signature combination.
- 373 \$1. Another. No. D1986589D. Strictly Ex. Fine. While lightly creased, this bill retains most of its freshness. Very rare, and worth at least \$40.00 so. Seldom offered.
- 374 **\$2.** 1899. **Napier & Thompson.** Exceptionally low serial number H4. Choice Unc., with nice even margins. This crisp beauty is even more desirable than the specimen we sold a year ago in our 40th sale. That bill, numbered H20, was estimated at \$50.00 and sold for the (then) record price of \$77.50. It would not surprise us to see this lot sell for well over \$100.00. It is far rarer than many coins which command a price well in excess of that amount.
- 375 **\$5.** 1899. **Napier & Thompson.** No. H1451128. Purchased as Unc., this rarity is Ex. Fine. Careful examination reveals indications of handling; numerous abrasion marks and pin holes across the face of the bill; and finally, a slight tear (not touching the note proper) at the lower right hand corner. Difficult to obtain in any preservation, this lot is not as bad as the description implies. It should be examined, and will undoubtedly realize a good price. The rarest of the 1899 "Napier & Thompsons."
- 376 **\$1.** and **\$2.** 1899. Parker & Burke. Ex. Fine to Abt. Unc. Mostly crisp, and definitely choice. 2 Pcs.
- 377 \$1. and \$2. Another pair. Ex. Fine, the \$2. note slightly soiled. 2 Pcs.

- 378 \$2. Parker & Burke. Odd No. M78000. Abt. Unc. Almost perfect, but slightly soiled at the right obverse margin. Cost \$9.00.
- 379 \$1. 1899. Teehee & Burke. Low serial number Y53Y. Unc. Not perfect, showing signs of counting at the right end, and with two reverse rust marks. Still, really low numbers are not often had, and are far more attractive than the usual, long numbers.
- 380 \$1. Another. Low serial No. Y87Y. Choice Unc. These notes command up to a 50% premium, over the regular ones.
- 381 \$1. Another. Low serial No. Y97Y. Unc. The top obverse margin close at right.
- 382 \$1. Another. Low serial No. Y98Y. Choice Unc., like the last.
- 383 \$1. Another. Low serial No. Z38Z. Unc., though somewhat crinkled.
- 384 \$1. Two more. Low Nos. Z53Z and Z87Z. Unc. The first hardly top-grade, and both cropped rather close upon the obverse. Rare, as are all of these. 2 Pcs.
- 385 \$1. Two more. Low Nos. Z98Z and Z505Z. Unc. Almost perfect, the first with the bottom margin a trifle close. 2 Pcs.
- 386 \$1. Two more. Low Nos. Z350Z and Z950Z. Choice Unc. A nice pair. 2 Pcs.
- 387 \$1. As the preceding. A consecutive pair; Nos. B44009696-97A. New, the reverse of the last with a solitary soil mark. 2 Pcs.
- 388 \$1. Still Teehee & Burke. Cut sheet of four notes with the consecutive serial numbers, D39382137A to D39382140A. Unc., though not quite perfect. Interesting and valuable. 4 Pcs.
- 389 \$1. Similar. Consecutive run of six notes, numbered from X26742678X to X26742683X. Uncirculated. Unusual. 6 Pcs.
- 390 \$1. Three regular examples. Unc., or nearly so. 3 Pcs.
- 391 \$1. and \$2. 1899. Teehee & Burke. Abt. Unc. Nice. 2 Pcs.
- 392 \$1. and \$2. Another pair. Ex. Fine and V. Fine. The \$1. with strong, bold printing. 2 Pcs.
- 393 \$1. and \$2. (2). Similar. EF Plus, Very Fine and Ex. Fine. First like the \$1. above. 3 Pcs.
- 394 \$5. 1899. Teehee & Burke. Also, \$2. Same signatures. Both Very Fine or Better. First alone worth \$12.50, according to Friedberg. 2 Pcs.
- 395 \$1. and \$2. 1899. Elliott & Burke. Unc. and Ex. Fine. Last decidedly scarce. 2 Pcs.
- 396 \$1. 1899. Elliott & White. Low serial Nos. H101A and H1001A. Choice Unc. The first really nice, the last off-center upon the reverse. Highly unusual, and an excellent display item. 2 Pcs.
- 397 \$1. 1899. Speelman & White. Low serial No. X35A. Choice Unc. Attractive even margins.
- 398 \$1. Another. Low serial No. X97A. Choice Unc. Faint fold outside the right margin, not affecting the appearance of this attractive bill.
- 399 \$1. Elliott & White, odd No. K600000A; \$1. Speelman & White, odd No. T20000002A. Unc. The first off-center upon the reverse, and the last trimmed close at the right bottom margin. Attractive numbers. 2 Pcs.
- 400 \$1. Speelman & White. A regular note, and a "Star" note. Unc., the last slightly crinkled. 2 Pcs.
- 401 \$1. Similar. Four regular examples. Ex. Fine to Unc. Worth \$10.00. 4 Pcs.
- 402 \$2. Elliott & Burke; Speelman & White. Fine and V. Fine plus. First scarce. 2 Pcs.
- 403 \$5. 1899. Speelman & White. Extremely Fine. Valued by Friedberg at \$12.50 V. Fine; \$20.00 New.
- 404 \$1. Set of six varieties: Parker & Burke; Teehee & Burke (regular and "Star" notes); Elliott & Burke; Elliott & White (regular and "Star" notes). Ex. Fine or better lot. 6 Pcs.
- 405 \$10. Second issue; **Series of 1908**. Bust of T. A. Hendricks. Vernon & Treat, No. A733399; Parker & Burke, No. D542975. Fine or better. The first superior, and the scarcest of the two. Valued at \$35.00. 2 Pcs.
- 406 \$1. Fifth issue; **Series of 1923**. Speelman & White. Low serial Nos. A13D and K36B. Abt. Unc. and Unc., both crisp. Rare and desirable. 2 Pcs.
- 407 \$1. Similar. Low serial Nos. K88B and K97B. Uncirculated. First a trifle off-center upon the obverse, as are many of these. 2 Pcs.
- 408 \$1. Two more. Attractive Nos. Y56555555D and Z99999980B. First crisp Unc., last Abt. Unc. 2 Pcs.

- 410 \$1. Similar. Consecutive trio, R97159158-60B; Another, R97159350-52B. Uncirculated, though not all perfect. 6 Pcs.
- 411 \$1. Speelman & White. Various. Ex. Fine to Unc., mostly perfect. 6 Pcs.
- 412 \$1. Seven more. Almost all Unc. These list at \$3.50 each. 7 Pcs.

- 413 \$1. The remainder of the lot. Includes a rare low number "Star" note. Fine (1) to Abt. Unc. Many Ex. Fine. 17 Pcs.
- 414 **\$5. 1923.** Speelman & White. No. A810848B. Choice Unc. Slightly off-center upon the obverse, and apparently once counted, this note is still superior to many offered. Rare, and getting rarer.
- 415 \$5. Another. No. A2522891B. Unc. Mostly crisp, but a trifle close at the top of the obverse, and uniformly crinkled. Friedberg values this bill at \$27.50.
- 416 \$5. The third and last. No. A4254687B. Unc. Cropped close at the bottom of the obverse, and showing evidence of counting at the right end. Rare.
- 417 **\$1. 1923.** Woods & White. Cut sheet of four notes with the consecutive serial numbers, B29497025E to B29497028E. Crisp Unc., but showing slight signs of counting at the right end. 4 Pcs.

- 420 \$1. Similar. Cut sheet; B29497037E to B29497040E. Unc. Just a shade better than the preceding. 4 Pcs.
- 421 \$1. Similar. Consecutive pair, B29497023-24E; Consecutive trio, B29497041-43E. Unc. From the same group as the last four lots. 5 Pcs.
- 422 \$1. Similar. Cut sheet; B29644905E to B29644908E. Unc., like the foregoing, but with nice margins. 4 Pcs.
- 423 \$1. Similar. Cut sheet; B29644909E to B29644912E. Choice Unc. Evenly centered. 4 Pcs.
- 424 \$1. Similar. Two cut sheets; B29644913-16E and B29644917-20E. Unc. On the whole with decent margins. The opportunity to obtain these notes in cut sheets is rapidly passing, and we urge collectors to take advantage of this offering. 8 Pcs.
- 425 \$1. Similar. Consecutive trio, B29644902-04E; Consecutive pair, B29644922-23E. Unc., as the last. Once common, these notes are becoming scarcer as the demand constantly increases for crisp, large size bills of any kind. 5 Pcs.
- 426 \$1. Still more. Various. Choice Unc., mostly crisp. Above average. List at \$3.50 each. 6 Pcs.
- 427 \$1. The end of the lot. Ex. Fine and Abt. Unc. Excellent for resale, being clean and almost fully crisp. 6 Pcs.
- 428 **\$1. 1923.** Woods & Tate. Crisp Unc. Evenly centered. A "Sleeper," considering the number available regardless of price. Worth every cent of \$5.00 today.

NATIONAL BANK NOTES

Under the terms of the National Banking Act of 1863, all banks having charters from the Federal government were allowed to issue notes, up to 90% of the par value of the U.S. Government bonds they deposited with the Treasurer of the U.S. The notes for all banks were of the same design, the only differences being the name and address of the bank, the date of the charter, the charter number, and the signatures of the President and Cashier of the bank. Each bank had its own charter number, which appeared on all its notes. Charters were good for twenty years, and at the end of that time were renewable. The issues of the First and Second Charter periods had a vignette in an oval on the left side of the reverse, indicating the state or territory of issue.

First Charter Period, by Acts of Congress, Feb. 25, 1863 and June 3, 1864; Second Charter Period, Series of 1882 and by Act of Congress, May 30, 1908, Series of 1908; Third Charter Period, Series of 1902 and 1908.

- 429 **\$1. First Charter Period;** July 1, 1865. Colby & Spinner. S. Red (Rays) seal. THE NATIONAL STATE BANK OF LAFAYETTE, INDIANA. Very Good. Mostly clean and presentable, but with a few small marginal tears. Cost \$13.00.
- 430 \$1. Similar. Jan. 2, 1865. Colby & Spinner. S. Red (Rays) seal. THE FIRST NATIONAL BANK OF JAMESTOWN, NEW YORK. Very Good, like the last. V. Scarce, and in strong demand, regardless of condition.
- 431 **\$2.** July 1, 1865. Colby & Spinner. S. Red (Rays) seal. THE FIRST NATIONAL BANK OF FRANKLIN, OHIO. The famous and extraordinarily popular "Lazy Two." Good to V. Good. Slightly soiled, but without the usual mends and tears. We observe where friend Charlie Green estimated a similar bill in "Strictly Very Good" at \$45.00 in his sale of Jan. 30th last.
- 432 **\$1.** Aug. 15, 1872. Allison & Spinner. S. Red (Rays) seal. THE FIRST NATIONAL BANK OF KANSAS, ILLINOIS. No. E480858. Choice Unc. Nicely centered, and in spite of traces of paper aging, a remarkable note, in exceptional condition, from an unusual bank. Easily worth \$30.00 so.
- 433 \$1. Similar. Sept. 15, 1873. Allison & Spinner. S. Red (Rays) seal. THE FIRST NATIONAL BANK OF LINCOLN, ILLINOIS. No. D642446. Crisp Unc., like the last. Without any indications of age, but lightly crinkled, the inevitable result of counting. Valued at \$40.00 in Friedberg's book.

- 434 \$1. Similar. Oct. 1, 1870. Allison & Spinner. S. Red (Rays) seal. THE MONITEAU NATIONAL BANK OF CALIFORNIA, MISSOURI. No. C74447. Choice Unc. A splendid note, nicely centered, and well above average. Should bring \$35.00 or more, considering the unusual name of the bank and the bill's overall appearance.
- 435 \$2. Oct. 1, 1870. Allison & Spinner. S Red (Rays) seal. Same bank as the last, in fact from the same sheet. No. C74447. Choice, crisp Unc. A trifle close at the bottom margin upon the obverse, and perhaps counted once or twice in its day, but still one of the freshest and most desirable "Lazy Two's" that we have seen, much less been privileged to offer. A magnificent item, worthy of a record price.
- 436 \$5. Jan. 16, 1871. Allison & Spinner. S. Red (Rays) seal. THE CITY NATIONAL BANK OF SELMA, ALABAMA. Columbus in sight of land at left; Presentation of Indian Princess at right. No. E792541. Strictly Unc. A nice note, with highly unusual signatures, but one very close at two edges (both obverse and reverse), slightly crinkled, and displaying a few signs of age. Listed by Friedberg at \$50.00.
- 437 \$1. **Surcharged SERIES 1875;** Oct. 25, 1875. Allison & New. Red (Scalloped) seal. THE HOME NATIONAL BANK OF MILFORD, MASS. No. A670068. Ex. Fine. A splendid note, to all appearances crisp, but with a few imperfections, including pin-holes at the top margin, and slight soiling (from counting) at the right end.
- 438 \$2. July 30, 1878. Scofield & Gilfillan. Red (Scalloped) seal. THE FIRST NATIONAL BANK OF NEW BEDFORD, MASS. No. B466701. Abt. Ex. Fine. A clean item, without any visible creases, but off-centered at the bottom (on both sides), and with several pin-holes at the centre. Very rare condition, and in fantastic demand.
- 439 \$5. **Nov. 2, 1863.** Scofield & Gilfillan. Red (Scalloped) seal. THE FIRST NATIONAL BANK OF CINCINNATI, OHIO. Charter No. 24. No. N187278. Fine. Cut very close at the bottom upon both sides. An unusual note, bearing the earliest date possible, and worthy of keen competition.
- 440 \$10. Feb. 10, 1880. Scofield & Gilfillan. Red (Scalloped) seal. THE MERCHANTS NATIONAL BANK OF HILLSBOROUGH, OHIO. Franklin flying kite, with boy at left; Angel, grasping lightning bolt, on eagle at r. No. A964254. Unevenly centered, but close to Ex. Fine. An unusually fresh and attractive bill, valued by Friedberg at \$50.00 in only V. Fine. An item that should be seen.
- 441 \$5. Mar. 20, 1874. Allison & Wyman. Red (Scalloped) seal. THE NATIONAL BANK OF BOYERTOWN, PENNSYLVANIA. **Charter number printed in black at upper l., and (as usual) below serial number.** Also, \$10. Oct. 28, 1881. Bruce & Gilfillan. Similar seal. THE SECOND NATIONAL BANK OF COLUMBIA, TENN. \$5. almost Poor, and torn at the right end; last about V. Good. Excessively Rare and Rare, the first technically the rarest note in the entire collection. 2 Pcs.

Only a few banks issued notes with the charter numbers in black. In A. A. Grinnell's huge collection, he only had two bills with the charters printed in black (lots 1137 and 3145), neither of which were of the above bank.

- 442 \$5. **Second Charter Period;** Series of 1882. **Brown seal; Brown back.** Bruce & Gilfillan, **signatures horizontally opposite.** THE FIRST NATIONAL BANK OF CINCINNATI, OHIO. No. R667257. Crisp, perfect Unc. Broad margins, though a trifle close at the bottom of the obverse, and somewhat off-center upon the reverse. A splendid note from a scarce bank.
- 443 \$5. A duplicate of the last. Also dated Feb. 26, 1883, but issued later, as the Cashier on the first above, has been advanced to President. No. Z291769. Very Fine, fairly centered. An interesting mate for lot 442.
- 444 \$5. 1882. Bruce & Wyman, **signatures above and below each other.** THE AURORA NATIONAL BANK, INDIANA. No. E846442E. Very Fine or better. Nice margins. Listed to \$17.50 so.

It appears quite evident, as we catalog these bills, that a great many "type" varieties have been ignored. The placement of the printed signatures on these notes, paper variations, and other pertinent differences have apparently been neglected throughout. Bob Friedberg has made a major contribution by listing this series, for instance, by signature combinations, and by other additions to his "Paper Money of the United States." However, much work remains to be done before our currency is as well broken down numismatically as are our coins.

- 445 \$5. 1882. Bruce & Wyman, signatures opposite. THE NATIONAL BANK OF COMMERCE IN NEW YORK. Charter No. 733. No. B234207B. Choice Unc., almost perfect. Nicely centered upon the obverse, but cropped close at the top of the reverse. Pen signed by J. Pierpont Morgan as V. President, and of considerable

- importance and value so. Superior to the example in our 40th sale which brought \$22.00.
- 446 \$5. A duplicate of the last, even to the Morgan autograph. No. B51507B. Fine to V. Fine. An acceptable specimen of a highly interesting item.
- 447 \$5. 1882. Bruce & Wyman, signatures above and below. THE SECOND NATIONAL BANK OF BUCYRUS, OHIO. No. H16759H. Abt. Unc. A crisp note, evenly centered, but one slightly soiled (at the right end) and handled from counting. Friedberg lists this signature combination at \$17.50 V. Fine; \$27.50 New.
- 448 \$5. Another. No. H16805H. Better than the last. Perfectly centered and fully crisp, but ever so slightly crinkled.
- 449 \$5. 1882. Rosecrans & Hyatt, signatures opposite. THE BRYN MAWR NATIONAL BANK, PENNSYLVANIA. No. M904860. Strictly Fine, but rubber-stamped "JUN 1 1902" slightly left of centre. Unusual bank.
- 450 \$5. 1882. Rosecrans & Nebeker, signatures opposite. THE FIRST NATIONAL BANK OF AUGUSTA, KENTUCKY. No. U770047. Also Fine. A rare pen-signed Kentucky note.
- 451 \$5. 1882. Tillman & Roberts, signatures opposite. THE SAN FRANCISCO NATIONAL BANK, CALIF. No. T590260T. Uncirculated. Cut a trifle close at the bottom of the obverse, and very close at the bottom of the reverse. Much nicer than the impaired one in our 40th sale, and a very scarce signature combination, being listed at \$30.00 as Friedberg's No. 475.
- 452 \$5. 1882. Lyons & Roberts, signatures opposite. THE STATE NATIONAL BANK OF ST. LOUIS, MISSOURI. No. U210917U. Uncirculated. Evenly centered, but displaying signs of counting at the right end. Should bring \$22.50.
- 453 \$10. 1882. Similar to the foregoing. Bruce & Gilfillan. THE FOURTH NATIONAL BANK OF CINCINNATI, OHIO. No. U498320. Very Fine plus. Apparently washed at one time, the President's ink signature hardly visible. Still, a nice, clean bill, evenly centered and attractive. Listed to \$25.00.
- 454 \$10. 1882. Bruce & Gilfillan. THE THIRD NATIONAL BANK OF CINCINNATI, OHIO. No. K988516. Like the last, lacking the regional letter. Also, \$10. 1882. Rosecrans & Nebeker. THE FARMERS NATIONAL BANK OF AUGUSTA, KENTUCKY. No. V136943V. Regional letter "S". V. Fine and Abt. Fine, the first fresh looking, but close at the top of the obverse. 2 Pcs.
- 455 \$10. 1882. Two more. Rosecrans & Nebeker; THE DESHLER NATIONAL BANK OF COLUMBUS, OHIO. In addition, Lyons & Roberts; THE DILLSBURG NATIONAL BANK, DILLSBURG, PENNSYLVANIA. Good and Very Good, the last with claims to Fine. Face value of \$20.00. 2 Pcs.
- 456 \$5. **Second Charter Period; Series of 1882. Blue seal; "1882-1908" on Green back.** Lyons & Roberts. THE GERMAN NATIONAL BANK OF CINCINNATI, OHIO. No. N588106. Very Fine. A nice item from an interesting bank. Cataloged by Friedberg at \$20.00.
- 457 \$10. 1882. Similar to the foregoing. Rosecrans & Nebeker. THE SECOND NATIONAL BANK OF CHARLESTON, ILL. No. B440591. Unc. Moderately well centered, but with an unimportant pin-hole like tear at centre. Worth at least \$30.00.
- 458 \$10. 1882. Lyons & Roberts. THE PEOPLE'S NATIONAL BANK OF GEORGETOWN, OHIO. No. M875806. Abt. Unc. Partly crisp, but off-centre at the bottom upon both sides, together with one or two minor imperfections. Attractive and desirable.
- 459 \$10. 1882. Lyons & Roberts. THE CITIZENS NATIONAL BANK OF CINCINNATI, OHIO. No. M816315. Better than V. Fine, but evidently washed as are many used notes. Listed at \$30.00 in "Paper Money of the United States."
- 460 \$10. 1882. Two more. A duplicate of the last. Fine or better. Also, Lyons & Roberts; THE BANK OF PITTSBURGH NATIONAL ASSOCIATION, PENNSYLVANIA. Fine too, but cut close at the bottom. Face value of \$20.00; the last highly interesting. 2 Pcs.
- 461 \$5. **Third Charter Period; Series of 1902. Red seal; Vignette on back.** Lyons & Roberts. THE MERCHANTS NATIONAL BANK OF CINCINNATI, OHIO. No. K288387. Abt. Unc. Evenly centered, and partly crisp. "Red Seals" are becoming quite hard to locate in these notes.
- 462 \$5. **Third Charter Period; Series of 1902. Blue seal; Vignette on back.** Lyons & Roberts. THE FIRST NATIONAL BANK OF COVINGTON, KENTUCKY. No. X256126H. Abt. Unc. Crisp, but the ink from the imprinted signatures has stained through to the reverse. Also, somewhat off-center at the bottoms, but still a nice bill.

- 463 \$5. 1902. Lyons & Roberts. THE FIRST NATIONAL BANK AND TRUST COMPANY OF HAMILTON, OHIO. No. 18172. Just about Unc., and on the main nicely centered. Should bring \$12.50.
- 464 \$5. 1902. Lot of three, all Lyons & Roberts. THE FOURTH NATIONAL BANK OF CINCINNATI, No. E740628E; THE SECOND NATIONAL BANK OF HAMILTON, No. 17089; THE FIRST NATIONAL BANK AND TRUST COMPANY OF SPRINGFIELD, OHIO (as all are), No. 16541. First with regional letter "M", the others without, as in the two preceding lots. Abt. Unc. (1) and Ex. Fine. Nice items, worth about \$35.00. 3 Pcs.
- 465 \$5. 1902. Vernon & McClung. PHOENIX NATIONAL BANK AND TRUST COMPANY OF LEXINGTON, KENTUCKY. No. U535327E. Regional letter "S". Ex. Fine or so. Considerably off-center upon the obverse. Worth \$10.00.
- 466 \$5. 1902. Napier & Burke. THE UNION NATIONAL BANK OF KNOXVILLE, TENN. No. A522652K. No regional letter. Ex. Fine. Off-center, mainly upon the reverse, and slightly soiled, also on the back.
- 467 \$5. 1902. Elliott & Burke. BROTHERHOOD OF LOCOMOTIVE ENGINEERS CO-OPERATIVE NATIONAL BANK OF CLEVELAND, OHIO. No. X427206D. Regional letter "M". Very Fine or better. A highly interesting and desirable note, bearing the longest title of any national bank.
- 468 \$20. 1902. Similar to the foregoing. Parker & Burke. THE NATIONAL BANK OF BRUNSWICK, GEORGIA. No. V431628H. No regional letter. Ex. Fine plus. Mostly crisp and clean, and definitely above average.
- 469 \$20. 1902. Lot of three. Lyons & Roberts, THE FIRST NATIONAL BANK OF DRY RIDGE, KENTUCKY, No. B325750H; Lyons & Roberts, THE RIPLEY NATIONAL BANK, OHIO, No. N594093D; Vernon & Treat, THE FARMERS NATIONAL BANK OF MANCHESTER, OHIO, No. V768188D. All with regional letters. Very Fine lot, worth, according to Friedberg, \$120.00. Still, \$60.00 face of good "Yankee" paper. 3 Pcs.
- 470 \$20. 1902. A duplicate of the second above. No. N594105D. Also, \$50. 1902. Vernon & McClung. THE CITIZENS NATIONAL BANK OF COVINGTON, KENTUCKY. Bust of John Sherman I., Sec. of the Treasury, 1877-81. No. 3451. First with regional letter, last without. Abt. Unc., and V. Fine, the \$20. trimmed close upon the obverse. Scarce and rare, the \$50. seldom offered. 2 Pcs.
- 471 \$20. 1902. The third copy of THE RIPLEY NATIONAL BANK, OHIO. No. V628786D. Finally, \$20. **Third Charter Period; Series of 1902. Blue seal; "1902-1908" and vignette on back.** Vernon & Treat. THE FARMERS NATIONAL BANK OF MANCHESTER, OHIO. No. N342464A. Both with the regional letters. Abt. Ex. Fine, the second particularly cut close on the obverse. Two different "type" notes, valued at \$80.00 (by Friedberg) in only V. Fine. 2 Pcs.

FEDERAL RESERVE BANK NOTES

The Crosswhite collection contains a nice group of the 1918 Series One and Two Dollar Federal Reserve Bank Notes. Included are several \$5. Cleveland bills, and many duplicates from all twelve banks in the lower denominations.

These notes are all National Currency, the same as our National Bank Notes, and were issued on all of the twelve Federal Reserve Banks. They were authorized by Acts of Congress of Dec. 23, 1913 and April 23, 1918. All have the name of the issuing banks in the centre of the note. **Since less than one-quarter of one percent of the original issue is still outstanding, a complete set is very difficult to obtain.** Many varieties are hard to locate in any condition, and a collector of this series particularly, must content himself with circulated items.

- 472 **Boston A-1. \$2.** Teehee & Burke; Bullen & Morss. No. A1455983A. Abt. Unc. Mostly crisp, but off-center upon the obverse with close margins, and slightly uneven towards the bottom of the reverse. The signatures of Bullen & Morss on \$2.00 notes are very scarce.
- 473 \$2. Another. No. A1455986A. Like the last, but better centered, though not as crisp. Listed, like the lot above, at \$17.50 New by Friedberg.
- 474 \$1. Teehee & Burke; Willett & Morss. No. A17650320A. Very Fine plus. An attractive example of this really rare signature combination, superior to that offered in our 40th sale.
- 475 \$2. Teehee & Burke; Willett & Morss. No. A4073334A. Extremely Fine. Nice margins, though the centering is hardly perfect. The most desirable specimen that we have handled, and well worth a generous bid. The one in our 40th sale was only Fine.
- 476 \$1. and \$2. Elliott & Burke; Willett & Morss. Nos. A30989368A; A11687909A. Strictly Unc. Not "Gems," but better than many offered. First with nice margins, the \$2. a trifle close at the top of the obverse. The pair in our 40th sale brought \$19.00, and that was almost a year ago. 2 Pcs.

- 477 **\$1.** Two types. Teehee & Burke; Bullen & Morss. No. A1206976A. Also, Elliott & Burke; Willett & Morss. No. A28944888A. Ex. Fine plus, and about V.F. Valued to \$15.00. 2 Pcs.
- 478 **\$1.** Another pair, as the last. Nos. A10962444A; A37371383A. First Very Fine, but slightly soiled; second close to Ex. Fine. 2 Pcs.
- 479 **\$2.** Elliott & Burke; Willett & Morss. No. A8383018A. Uncirculated. A nice note, evenly centered, but with a very slight, hardly visible stain at the bottom left margin. Listed by both Friedberg and Raymond at \$15.00.
- 480 **\$2.** Another. No. A11687917A. New. With attractive margins, and better than most. Scarce.
- 481 **New York B-2. \$1.** Set of three. Teehee & Burke; Sailer & Strong: No. B884795A. Teehee & Burke; Hendricks & Strong: B27796706A. Elliott & Burke; Hendricks & Strong: B2045424B. Friedberg 711, 712 and 713. Ex. Fine and Abt. Unc. Desirable trio. 3 Pcs.
- 482 **\$1.** Another set, as the last. Nos. B6208716A; B42836414A; B97414484A. Also E.F. and Abt. Unc., the last fully crisp. Valued by Friedberg at \$20.00 New. 3 Pcs.
- 483 **\$2.** Teehee & Burke; Sailer & Strong. No. B130501A. Ex. Fine plus. Only slightly off-center, and partly crisp. The scarcest of the New York Two's, and far superior to the Fine specimen in our May 9, 1953 sale.
- 484 **\$2.** Teehee & Burke; Hendricks & Strong. No. B8678197A. Unc., but slightly crinkled at the right end. Also, rather close at the top of the obverse. Generally attractive, though not perfect. Worth \$12.50.
- 485 **\$2.** Elliott & Burke; Hendricks & Strong. No. B12810429A. Crisp Unc. Light crinkling (from counting) at the right end, but definitely above average. A \$15.00 item.
- 486 **\$2.** Another. No. B14442018A. Just about Unc. Off-center, and rather crinkled at the top of the obverse. Scarce, as are almost all notes of this denomination.
- 487 **\$1.** Teehee & Burke; Sailer & Strong: Teehee & Burke; Hendricks & Strong. Also, **\$2.** Teehee & Burke; Hendricks & Strong. Fine to V. Fine duplicates. Worth to \$15.00. 3 Pcs.
- 488 The balance of the New York notes. **\$1.** Teehee & Burke; Sailer & Strong. Same, Hendricks & Strong (3). Lastly, **\$2.** Elliott & Burke; Hendricks & Strong. First V.F., but heavily creased at centre; others Ex. Fine to Abt. Unc. (1), except for the last Hendricks & Strong \$1., which is only V. Good plus and has the upper left hand corner torn off. Mainly a nice lot, and well worth at least \$18.00. 5 Pcs.
- 489 **Philadelphia C-3. \$1.** Teehee & Burke; Hardt & Passmore. No. C1763529A. Abt. Very Fine. Better than the one in our 40th sale (which was only Fine and soiled), and the equal of the regular Grinnell specimen. Rare, and underrated. A note to watch!
- 490 **\$2.** Teehee & Burke; Hardt & Passmore. No. C298141A. Abt. Unc. A crisp note, but one slightly crinkled, along with traces of reverse soiling. Off-center at the top right side of the obverse. Rarer than commonly known.
- 491 **\$2.** Another. No. C298190A. On a par with the preceding, but in some respects superior. A variety that is really hard to locate when you need it.
- 492 **\$1.** Teehee & Burke; Dyer & Passmore. No. C8929497A. Strictly V. Fine. Somewhat off-center, but with respectable margins. Better than the Fine one in our 40th sale, and a \$15.00 item according to Friedberg.
- 493 **\$2.** Teehee & Burke; Dyer & Passmore. No. C1826163A. In addition, \$1. Same signatures. No. C19809145A. Very Fine or better, the rarer \$1. with better margins than the \$2. These bills will soon bring Friedberg's combined valuation (\$25.00) and more. 2 Pcs.
- 494 **\$1.** Elliott & Burke; Dyer & Passmore. No. C28807124A. Better than Fine, and extremely rare. A note that can laugh at a ridiculous valuation of \$20.00 or \$22.50 in crisp condition. If a dozen more serious collectors of this series entered the field, this note wouldn't be easily obtainable in the worse used condition.
- 495 **\$1.** and **\$2.** Elliott & Burke; Dyer & Norris. Nos. C42983663A; C7880363A. Unc., and nearly so, the first a trifle off-center at the bottom of the reverse. An acceptable pair, the \$2. not often found better than E.F. 2 Pcs.
- 496 **\$1.** Three duplicates of the first above; Dyer & Norris. Abt. Ex. Fine (1) to Unc. 3 Pcs.
- 497 **Cleveland D-4. \$1.** Teehee & Burke; Baxter & Fancher. Low serial numbers, D228A, D232A, and D357A. All just about New, but showing signs of counting at the right end. Desirable and valuable. 3 Pcs.

- 498 **\$2.** Teehee & Burke; Baxter & Fancher. Low No. D262A. Unc., but slightly crinkled, and with the faintest indications of hinge (or similar) mounting at the top reverse corners. Evenly centered for these notes. Valued to \$20.00.
- 499 **\$2.** Another. Low No. D264A. Like the last. Perhaps not as well centered, but cleaner and crisper.
- 500 **\$2.** Another. Low No. D289A. Not as nice, almost Abt. Unc. Off-center at the top of the reverse. Rare, in fact considerably so, compared to many higher priced numismatic items.
- 501 **\$2.** A consecutive pair. Low Nos. D274A, D275A. Marked Unc., like many of these, but not quite perfect enough (for us). Still, nicer than most, though slightly off-center towards the bottom of the reverse as usual. Should bring \$30.00 or so. 2 Pcs.
- 502 **\$1. and \$2.** Like the foregoing, "A Matched Pair." Both notes with the identical No., D541A. Unc., and mostly crisp, but with unimportant reverse hinge marks as in 498 above. Nicely centered examples, together constituting a splendid display item. These are very, very hard to find, and nearly always have to be obtained from different sources, since the denominations did not always go to the same place. 2 Pcs.
- 503 **\$1. and \$2.** Teehee & Burke; Baxter & Fancher. Nos D3157001A; D171A. A Very Fine pair, listed at \$14.00 in "Paper Money of the United States." 2 Pcs.
- 504 **\$1. and \$2.** Another pair. Nos. D4122010A; D422685A. Abt. Unc. and Ex. Fine, the first crisp and evenly centered, but slightly soiled upon the reverse. Better than the last lot, and worth more. 2 Pcs.
- 505 **\$1, (3) and \$2, (1).** The remainder of this signature combination. Average V. Fine, with a total Friedberg valuation of \$22.00. 4 Pcs.
- 506 **\$5.** Teehee & Burke; Baxter & Fancher. No. D149953A. Very Fine or better. Listed to \$17.50 so.
- 507 **\$5.** Another. No. D149955A. Almost Ex. Fine; a trifle close at the top of the obverse. All Federal Reserve Bank Notes of this denomination have become decidedly uncommon.
- 508 **\$5.** A third. No. D1569340A. The best of the lot, being better than Ex. Fine, and beautifully printed and centered. Catalogs at \$25.00 New in both Friedberg and Raymond.
- 509 **\$1. and \$2.** Teehee & Burke; Davis & Fancher. Nos. D13000865A; D2322738A. Ex. Fine and Fine, the last close at the top of the obverse, and well creased at the centre. An extremely rare signature combination, long unappreciated. 2 Pcs.
- 510 **\$1.** Similar. Two duplicates; Nos. D16525838A; D17668450A. Fine plus and Abt. Ex. Fine, the second with nice margins. Worth \$15.00, but unfortunately, like so many of these, will bring less. The collecting fraternity will only appreciate the "sleepers" in this series, long after the few available notes are off the market. 2 Pcs.
- 511 **\$1. and \$2.** Elliott & Burke; Davis & Fancher. Nos. D32200877A; D2736632A. Abt. Unc., and V. Fine. 2 Pcs.
- 512 **\$1. and \$2.** Another pair. Nos. D37641596A; D2800122A. Unc., but somewhat crinkled, and almost V.F. First-off-center at the bottom of the reverse. A \$15.00 lot. 2 Pcs.
- 513 **\$1. and \$2.** Two more. Nos. D41450296A; D3474951A. "Washed Unc." and Fine to V.F. The \$1. is unevenly centered upon the reverse. Also valued at close to \$15.00. 2 Pcs.
- 514 **\$1.** Similar. Five duplicates. Fine (1) to Ex. Fine. Mostly the best, and excellent for a dealer's stock. 5 Pcs.
- 515 **\$1.** Four more. Ex. Fine or better. Partly crisp, and superior to the last. Should easily bring \$12.50. 4 Pcs.
- 516 **\$5.** Elliott & Burke; Davis & Fancher. No. D2298658A. Ex. Fine plus. Microscopic rust spot slightly left of the seal upon the obverse. Lot 4648 in the celebrated Grinnell collection was only Ex. Fine, and brought \$16.00 away back in 1946.
- 517 **Richmond E-5. \$1.** Teehee & Burke; Keesee & Seay. No. E3150830A. Crisp, and just about Unc., being a shade less than perfect. The specimen in our 40th sale brought \$9.00, almost a year ago.
- 518 **\$1.** Another. No. E3259500A. Bought as Unc., but rather like the last. Crisp, but unevenly centered upon the reverse. Rare, and underrated.
- 519 **\$1.** Two more. Nos. E2905961A; E6210172A. Ex. Fine and V. Fine, the second on slightly off-color paper. Rare. 2 Pcs.

- 520 **\$2.** Teehee & Burke; Keesee & Seay. No. E142851A. Fine to V. Fine. As we stated in our May 9th (1953) catalog, "Grinnell's two regular notes of this type were only Abt. Ex. Fine. When the actual degree of rarity of these signature combinations is fully appreciated, they will rapidly increase in price."
- 521 **\$1.** Elliott & Burke; Keesee & Seay. No. E16651314A. Unc. Mostly crisp, and nicely centered. Better than the one in our 40th sale, and well worth \$10.00 in this condition.
- 522 **\$1.** Another. No. E25371051A. Also,, **\$2.** Same signatures. No. E2074858A. Ex. Fine and Fine or better, the second with a few slight reverse rust-spots which faintly show through to the right side of the obverse. Rare, the \$2. particularly so. Even Grinnell only had a circulated specimen of this denomination. 2 Pcs.
- 523 **\$1.** and **\$2.** The second pair. Nos. E27414344A; E3554593A. Crisp Ex. Fine and V.G. to Fine. Last slightly off-center upon the reverse, and a rarity in any preservation. Worth to \$17.50. 2 Pcs.
- Richmond had the shortest issue of any of the Federal Reserve Banks, and its four notes are always in keen demand.
- 524 **Atlanta F-6. \$1.** and **\$2.** Teehee & Burke; Pike & McCord. Nos. F3672733A; F182180A. Fine to V.F., and strictly Very Fine, the choicer \$2. off-center towards the bottom of the reverse. Rare pair, the last decidedly so, and worth \$17.50 alone. 2 Pcs.
- 525 **\$1.** Teehee & Burke; Bell & McCord. No. F8479384A. Abt. Ex. Fine, and also off-center at the bottom of the reverse. An uncommonly rare and desirable bill, considering that even Grinnell did not own a perfect example. Where this item can be obtained at the \$17.50 Friedberg values it at, we do not know, not having ever seen a perfect example.
- 526 **\$1.** Teehee & Burke; Bell & Wellborn. No. F15335219A. Unc. Not perfect, being slightly crinkled, but an attractive, evenly centered specimen of this rarity. Superior to the Very Fine one in our 40th sale, and probably at least the equal of Grinnell's, which was called "Practically Unc." V. Rare.
- 527 **\$1.** Duplicates. Teehee & Burke; Pike & McCord: Teehee & Burke; Bell & Wellborn. Nos. F6562750A; F11422230A. Fine or better, and Ex. Fine. Last uncommonly rare, and hard to locate. Should bring \$20.00 or even more. 2 Pcs.
- 528 **\$1.** Elliott & Burke; Bell & Wellborn. No. F29612651A. Abt. Unc., with nice margins. A \$12.50 note.
- 529 **\$1.** Two more. Nos. F15957544A; F19014194A. Abt. Unc. and Ex. Fine, the last on bluish paper. Rare "stock" items, listing (Friedberg) at \$20.00 V.F.; \$30.00 New, which is hardly too high. 2 Pcs.
- 530 **\$1.** Four more. V. Good or so (2), V. Fine and Ex. Fine. Excellent for resale. 4 Pcs.
- 531 **Chicago G-7. \$1.** Teehee & Burke; McCloud & McDougal. No. G10495292A. Choice Unc., with nice margins. Rare so.
- 532 **\$1.** Another. No. G197355A. Also, **\$2.** Same signatures. No. G1091441A. An about Unc. pair, the \$2. a trifle close at the top of the obverse. Listed by Friedberg at \$25.00 New. 2 Pcs.
- 533 **\$1.** A third. No. G12270468A. In addition, **\$1.** Teehee & Burke; Cramer & McDougal. No. G36812966A. Abt. Unc., and Ex. Fine, the second scarce. 2 Pcs.
- 534 **\$2.** Teehee & Burke; Cramer & McDougal. No. G3808004A. Very Fine, and equal to lot 4686 in the Grinnell collection, which was the best that Mr. Grinnell could locate in years of collecting. A little close at the upper left part of the obverse, but still one of the nicest that we remember handling. Worth \$15.00.
- 535 **\$1.** Elliott & Burke; Cramer & McDougal. No. G58286990A. Crisp Unc. Slightly off-center at the top on both sides, but really rare, and hard to find so choice.
- 536 **\$2.** Elliott & Burke; Cramer & McDougal. No. G7004376A. An Uncirculated note, displaying clear evidence of counting at the right end. Also, **\$1.** A duplicate Teehee & Burke; Cramer & McDougal. No. G30113470A. Better than Fine, but impaired somewhat at Washington's bust. 2 Pcs.
- 537 **\$1.** and **\$2.** Elliott & Burke; Cramer & McDougal. Nos. G55919878A; G7004377. Ex. Fine plus and about V. Fine. List at \$16.00 (Friedberg) in V. Fine. 2 Pcs.
- 538 **\$1.** and **\$2.** Another pair. Nos. G57912610A; G8441885A. Average Ex. Fine, and superior to the last. 2 Pcs.
- 539 **St. Louis H-8. \$1.** and **\$2.** Teehee & Burke; Attebery & Wells. Nos. H1299424A; H635172A. Abt. Unc., and Fine to V. Fine, the \$2. off-center at the bottom, particularly on the reverse. Valued by Friedberg at \$25.00 V. Fine, and by Raymond at \$21.00 Fine. 2 Pcs.

- 540 \$1. and \$2. A second pair, not as desirable. Nos. H1296275A; H575015A. Abt. V. Fine, and V. Good. The last soiled and slightly damaged at the right end of both obverse and reverse. Scarce and rare, as are all St. Louis notes. 2 Pcs.
- 541 \$1. and \$2. Teehee & Burke; Attebery & Biggs. Nos. H10739647A; H1630151A. Ex. Fine, and Fine to V. Fine. Almost the equal of the two in the Grinnell collection, which sold for \$32.00 in 1946. Rare and extremely so. 2 Pcs.
- 542 \$1. Elliott & Burke; Attebery & Biggs. No. H17754194A. Strictly Very Fine, and fully the equal of the Grinnell example. Worth \$10.00 today.
- 543 \$1. Elliott & Burke; White & Biggs. No. H26097461A. Choice Unc. Attractive margins, though not perfectly centered. Listed at \$12.50 by Friedberg.
- 544 \$1. Another. No. H26097478A. Like the last, though hardly as well centered. Also, a third, only Fine. No. H20755958A. V. Scarce. 2 Pcs.
- 545 \$2. Elliott & Burke; White & Biggs. No. H2393744A. Abt. Ex. Fine, but with a centre fold, hardly discernible upon the obverse. Not quite the equal of the "Pract. Unc." Grinnell example, which was estimated at \$30.00, and brought \$31.00.

St. Louis had the largest issue of notes in the 1918 series, consisting of fourteen different denominations and signature combinations. Every variety is scarce, as is also the case with the Atlanta Bank, which was responsible for the longest series (combined) of 1915-18 notes.

- 546 **Minneapolis I-9.** \$1. Teehee & Burke; Cook & Wold. No. I1344576A. Abt. Ex. Fine; lightly creased at the centre, and at the right. Nice margins, but close at the lower right side of the obverse, and off-center at the bottom of the reverse. Worth at least \$20.00 on today's market.
- 547 \$1. Another. No. I4951474A. Abt. Unc. Attractive, even margins. Superior to the preceding, and being so, should realize \$25.00 or more.
- 548 \$1. A third. No. I6332394A. Like the last, in that it is almost perfect. Lightly crinkled (from slight handling), but without any folds or creases. Close at the bottom of the obverse. A splendid example of a very rare item, as is lot 547.
- 549 \$1. The last two. Nos. I1184916A; I1226273A. Very Fine and Fine. Valued, according to Friedberg and Raymond, at \$30.00. 2 Pcs.
- 550 \$2. Teehee & Burke; Cook & Wold. No. I1163655A. Fine to V. Fine, but slightly impaired by erasures (or similar paper damage) to the immediate right of the Jefferson vignette. Rare in any condition. Cost \$14.00, several years ago.
- 551 \$1. and \$2. As the preceding. Nos. I2247847A; I309309A. V. Good and Fine, the last well crinkled. Really rare. 2 Pcs.
- 552 \$1. Elliott & Burke; Cook & Young. No. I14182209A. Ex. Fine. Creased at centre (though not visible from the obverse), and a shade close at the bottom of the reverse. A Fine specimen realized \$9.00 in our 40th sale, and Friedberg values this item at \$30.00 New. V. Rare.
- 553 \$1. Another. No. I124722*. Abt. Ex. Fine. Off-center upon the reverse, and just about the equal of the last. A "Star Note," and as such, extremely rare and seldom offered.
- 554 \$2. Elliott & Burke; Cook & Young. No. I1351075A. Very Fine to Ex. Fine. Off-center somewhat at the bottom of the reverse, on the order of lot 552. An exceedingly rare note in this preservation. Far superior to the Fine one in our May 9, 1953 sale. As we remarked at that time, "the copy in the 1951 Numismatic Gallery sale was estimated at \$50.00 and sold for \$30.00." Like A. A. Grinnell, we have never seen a perfect example of this rarity, and wonder if the gentlemen who undervalue it in the standard references have.
- 555 \$2. Another. No. I1240253A. Very Good. Purchased as Fine, but rather soiled upon the reverse. Very rare in any condition.

The Minneapolis series, even though a short one, should not be taken lightly. All of its notes are rare, and the One Dollar Teehee and Young (lacking here), is the rarest dollar bill in the entire series.

- 556 **Kansas City J-10.** \$1. Teehee & Burke; Anderson & Miller. No. J4941584A. Also, \$1. Elliott & Burke; Anderson & Miller. No. J13322262A. Abt. Unc. and Uncirculated, the last beautifully centered, but somewhat crinkled (from counting), particularly at the right end. Uncommon. 2 Pcs.
- 557 \$1. Another pair. The first, Teehee & Burke (No. J4941590A), is just about Unc.; the last only Good. 2 Pcs.
- 558 \$2. Teehee & Burke; Anderson & Miller. No. J22775A. Ex. Fine (washed). Lightly soiled at the right end of the obverse, and the corresponding part of the reverse. Also, close at the top of the reverse. A strongly printed, desirable note, that appears rather infrequently. Should bring \$15.00.

- 559 \$2. Another. No. J321992A. Superior to the last, and one that is a hair's breadth from Unc. Mostly crisp, but displaying some slight crinkling, and evidence of the inevitable soiling at the right end, etc. Catalogs at \$25.00.
- *560 \$1. Elliott & Burke; Anderson & Miller. No. J13321107A. Choice Unc. Off-center, particularly towards the top of the reverse. Valued by Friedberg at \$8.50.
- 561 \$1. Another. No. J13321108A. Like the last, crisp but slightly crinkled.
- 562 \$1. Another. No. J13321109A. Choice Unc. Nice margins. In spite of this minor hoard, Kansas City notes are hard to find.
- 563 \$1. Another. No. J13321111A. Unc. Fully crisp, and almost perfect, with even margins. Cheap at \$7.50 today.
- 564 \$1. The last of the group. No. J13322224A. Unc. Slightly crinkled, and a trifle low on the reverse, but still desirable.
- 565 \$1. Elliott & Burke; Helm & Miller. No. J21651412A. Abt. Unc. Crisp, but soiled in the usual place, and in the usual way. A shade low on the reverse, and with a partial crease in the upper left hand corner.
- 566 \$1. Another. No. J21651447A. Better, in that the soiling is less evident. Well centered on the reverse, but this time uneven upon the obverse. A signature combination that has become quite scarce.
- 567 \$2. Elliott & Burke; Helm & Miller. No. J2000167A. Very Fine, or better. Washed, but neatly centered and acceptable. In the \$15.00 class, and far from common.
- 568 **Dallas K-11. \$1.** Teehee & Burke; Talley & Van Zandt. Nos. K6209817A; K6398024A. Almost V. Fine. Listed by Friedberg at \$7.50 each. 2 Pcs.
- 569 \$2. Teehee & Burke; Talley & Van Zandt. No. K622409A. Ex. Fine plus. A trifle close at the top of the reverse, but a choice example of a very scarce note, listing to \$30.00 New.
- 570 \$1. Elliott & Burke; Talley & Van Zandt. No. K10279493A. Strictly Fine, though marked Very Fine. Nicely centered, but slightly soiled, perhaps from mounting, at the top and bottom margins upon both sides. Not too bad a looking bill, considering that even Grinnell could not find a perfect one, and he spent almost a lifetime looking. Very rare.
- 571 \$2. Elliott & Burke; Talley & Van Zandt. No. K1170795A. Very Fine, but slightly imperfect. Marred ever so slightly by a few faint rust marks at the upper left obverse margin, a small red (stamp-pad) ink mark at the "S" in DALLAS, and finally, slight reverse soiling. Hard to locate, as is the other \$2. Dallas bill.
- 572 \$2. Another. No. K1170558A. Abt. Fine, but rubbed towards the right end of the obverse. The one in our 40th sale was only Fine, on the order of this specimen. Underrated and valuable.
- 573 \$1. Elliott & Burke; Lawder & Van Zandt. No. K13205510A. Abt. Unc. Evenly centered, and better than most. Worth to \$10.00.
- 574 \$1. Another. No. K15596411A. Ex. Fine or better. Unevenly centered upon the reverse, and with a minute rust-like mark below the "N" in ONE DOLLAR, upon the obverse. Both this and the previous lot are superior to the example in our 40th sale.
- 575 \$1. End of the group. Teehee & Burke; Talley & Van Zandt (2) : Elliott & Burke; Lawder & Van Zandt. Fine or better. 3 Pcs.
- 576 **San Francisco L-12. \$1.** Teehee & Burke; Clerk & Lynch. No. L3684076A. V. Fine to Ex. Fine. The scarcest signature combination from this bank. Worth \$7.50 V. Fine.
- 577 \$1. Another. No. L5872540A. Ex. Fine. Crisper than the last.
- 578 \$2. Teehee & Burke; Clerk & Lynch. No. L1601557A. Close to V. Fine. Slightly soiled, and off-center upon the reverse, as are most of these. Better than the one in our 40th sale, and listed by Friedberg at \$15.00 V. Fine.
- 579 \$2. Another. No. L462735A. Fine to V. Fine. Also, \$1. Same signatures. First, Ex. Fine and crisp (No. L5872542A), last barely Good. Well worth \$20.00 or so. 3 Pcs.
- 580 \$1. Teehee & Burke; Clerk & Calkins. No. L13619337A. Uncirculated, though hardly perfect.
- 581 \$1. Elliott & Burke; Clerk & Calkins. No. L17659802A. Also, \$1. Elliott & Burke; Ambrose & Calkins. No. L19076062A. Abt. Unc. and Ex. Fine, the first choice and on a bluish cast paper. 2 Pcs.
- 582 \$2. Elliott & Burke; Clerk & Calkins. No. L29828*. Ex. Fine. Somewhat soiled at the right end of the obverse, and the corresponding part of the reverse. Similar to, but not as nice as the two in our 40th sale. Valued to \$22.50, as a rare and popular "Star Note."

- 583 \$1. Duplicate Ambrose & Calkins. No. L20768823A. Almost Ex. Fine. Close at the top of the reverse. Should realize \$5.00.
- 584 \$2. Elliott & Burke; Ambrose & Calkins. No. L3033029A. V. Fine to Ex. Fine. Partly crisp, though lightly folded. This combination not in our May 9, 1953 sale.
- 585 \$2. Another. No. L3099335A. Abt. Ex. Fine. Nicely centered, but with two pinholes at the upper centre. Lists at \$15.00 V.F., \$25.00 New in "Paper Money of the United States."

FEDERAL RESERVE NOTES

These notes are known as the "Series of 1914," and could also be called "the forgotten series." No great interest was ever displayed in them, and a demand has only been apparent within recent years.

All were issued under the Federal Reserve Act of December 23, 1913. The Red Seal varieties were all signed by W. G. McAdoo, as Secretary of the Treasury and John Burke, Treasurer of the United States. The Blue Seal notes were signed by four different secretaries of the Treasury, with Burke and Frank White, as Treasurers of the U.S.

Catalog valuations, either by Friedberg or Raymond, are at best guides for the series, the actual rarity of many items being unknown or guessed at. Some combinations are extremely rare, and lacking in the most specialized collections. Mr. Raymond is trying to complete his reference collection of these notes, in an effort to arrive at an accurate rarity formula. We feel sure that he would be happy to hear from any interested collectors making a study of the series.

CURIOUS, ERROR, FREAK, AND AUTOGRAPHED NOTES

An Outstanding Offering

Over the years, in the course of printing our paper money, curious notes have been manufactured and, in error, released.

These "Freak" bills are the result of human or mechanical failure. All are rare. Generally, the more glaring the error, the rarer the item. Since the Inspectors at the Bureau of Engraving and Printing have always maintained sharp vigilance, very few of these notes are actually available, in comparison with the tremendous quantity of perfect ones released. Were many of the following lots in the Philatelic field, they would command prices up to One or Two Thousand Dollars. Perhaps some day, our hobby will attain the specialization that stamps have, and, at that time, a tremendous increase in the value of the "inverts" and similar items will probably take place.

Autographed notes have a double interest. They are not only numismatic, but possess a historical appeal, because of the personal touch added by the autograph.

It has been our experience that these notes have a greater attraction than curiously struck coins. If you agree or not, it must seem obvious that odd items in the Paper Money field present a unique magnet for both the collector and layman alike. Not only do they constitute wonderful exhibition material, but they can only increase in value, interest, and demand.

- 621 **LARGE SIZE LEGAL TENDER NOTES. \$1.** 1880. Bruce & Gilfillan. L. Brown (Spikes) seal. No. Z30450909. **Pen autographed JAS. GILFILLAN TREAS OF U.S.** vertically at the right centre. Ex. Fine. Unevenly centered, particularly upon the obverse.

- 622 \$1. Another, exactly like the last. No. Z30450918. Unc., though not quite perfect. Evenly centered and attractive. Cost \$9.50, years ago. Gilfillan's autograph is very scarce, in fact almost rare.
- 623 \$1. 1880. Tillman & Morgan. S. Red (Scalloped) seal. No. A5628304. **Pen autographed D. N. MORGAN TREAS. OF U.S. 1893-1897** vertically at the right centre. Choice Unc. Mostly crisp, and nicely centered. Rare.
- 624 \$1. Another. No. A5628368. **Pen autographed D. N. MORGAN** above his regular, printed signature. Crisp Unc. Slightly high upon the reverse. Worth at least \$20.00.
- 625 \$10. 1901. Lyons & Roberts. S. Red (Scalloped) seal. No. 42546372. **The reverse inverted.** Also, \$1. 1917. Teehee & Burke. Same seal. No. B39613564A. **Broad obverse gutter-fold** running diagonally from a point at the superimposed ONE vignette at upper right to the edge below Washington's vignette. This paper oddity makes the right bottom half of the note a full $\frac{1}{8}$ " lower. Abt. V.F., and Ex. Fine, the last highly unusual and desirable. 2 Pcs.
- 626 \$5. 1907. Teehee & Burke. Completely lacking the red overprint. **Without Seal, Serial numbers, or the red "V" and "Dollars" normally added to the design at l. centre.** Abt. Very Fine. Slightly crinkled. A startling error note of the first magnitude, and one of the showpieces of this offering. This item should be seen, as it constitutes a veritable museum piece, and is well worthy of a generous bid.
- 627 \$1. 1917. Elliott & Burke. S. Red seal. Low No. H21A. **Pen autographed W. S. ELLIOTT REGISTER OF THE TREASURY** vertically at the left centre. Unc. Cropped close at the top of the obverse, and hardly perfect, but a highly desirable item, considering the low number and the scarcity of Elliott's autograph.
- 628 \$2. 1917. Elliott & Burke. Seal as last. No. B800767A. **All of the Serial number at upper right missing, except the suffix letter "A" and the top right corner of the last "7".** Crisp Unc. Close at the top of the obverse. Unusual and valuable.
- 629 \$2. Another, on the order of the preceding. No. B1062028A. **Serial number at upper right missing all but the prefix letter and first digit.** Crisp Unc., and centered on the order of the above. These two lots should excite spirited competition.
- 630 **TREASURY OR COIN NOTE. \$1.** 1891. Tillman & Morgan. S. Red seal. No. B41327392. **Pen autographed D. N. MORGAN TREAS. OF U.S. 1893-1897** vertically, slightly to the left. Unc. Somewhat off-center.
- 631 **LARGE SIZE SILVER CERTIFICATES. \$1. and \$2.** 1891. Tillman & Morgan. S. Red seals. Nos. E31404107; E9534993. **Both pen autographed D. N. MORGAN** above his regular, printed signature. Abt. V. Fine average, the very scarce \$2. slightly soiled at the right end of the obverse. 2 Pcs.
- 632 \$1. 1896. Tillman & Morgan. S. Red seal. Low No. 44. This, and the three following, are popular "History Instructing Youth" notes. **Pen autographed D. N. MORGAN JULY 24, 1896** vertically at the left side of the reverse, and **J. FOUNT. TILLMAN** on the right side, in the same manner. Strictly Fine, but evidently carried in a wallet for some time. A rare item, with the low number and both signatures.
- 633 \$1. Another. Low No. 45. **Pen autographed D. N. MORGAN JULY 23 1896** in a large, clear hand, vertically across the left side of the reverse. Crisp Unc. Splendid margins. An exceptional item, easily worth \$30.00 to \$35.00.
- 634 \$1. Another. No. 15012204. **Pen autographed D. N. MORGAN** above his regular, printed signature. Not quite Fine.
- 635 \$1. The fourth, and exactly like the last. No. 20638221. Very Fine, and slightly off-center, mainly upon the reverse. In addition, we observe slight staining on the bottom left margin, which is barely visible.
- 636 \$2. 1896. Tillman & Morgan. S. Red seal. Low No. 268. Science presenting Steam & Elec. to Com. & Mfg. Rev. Fulton and Morse. **Pen autographed D. N. MORGAN** above his regular, printed signature. Choice Unc. A superb item, though centered a little high upon both sides. This note offers everything from a low number to Morgan's autograph, plus extreme popularity in top preservation. It is not far from being a \$100.00 "Piece-de-resistance."
- 637 \$2. Another, signed in the same manner. No. 8215608. Very Good plus; soiled upon the reverse. Still, rare and acceptable. Also, \$1. 1899. Vernon & Treat. Blue seal. No. R7371685. **Pen autographed W. T. VERNON** diagonally at left centre. Fine. Not many of Vernon's autographs exist. 2 Pcs.

- 638 **\$1.** 1899. Vernon & McClung. Blue seal, as on all following. A consecutive pair of rare "Star Notes." Nos. *538139-40B. **Pen autographed LEE McCLUNG TREASURER OF THE UNITED STATES** vertically across the left centre of both bills. Uncirculated, the first cropped close at the top of the obverse, and with a minute, hardly visible edge tear or two at the upper right. McClung's autograph is apparently quite rare, as we do not recollect similar items in any sale catalog or list. 2 Pcs.
- 639 **\$1.** Another one, on the order of the pair above, even to being a "Star Note." No. *1146220B. Abt. Unc., but with the appearance of having been washed. Off-center at the bottom, upon both sides. Rare.
- 640 **\$1.** 1899. Vernon & McClung. Another consecutive pair, Nos. V40561266-67. **Pen autographed W. T. VERNON REGISTER OF THE TREASURY 1906-1910** at the left centre of each note. Choice Unc., but both a trifle close at the top of the obverse. A splendid and rare pair, purchased years ago at \$7.50 each. A fitting mate for lot 638. 2 Pcs.
- 641 **\$1.** 1899. Vernon & McClung. No. X74921072. **Misprinted, the blue Seal, Serial numbers, and numeral "1" at left, all overprinted away from where they belong, towards the upper right.** As an afterthought, **pen autographed JOHN BURKE** (Treasurer of the U.S., 4/1/13 to 1/5/21) above "Bearer on demand" at the right side of the obverse. Only V. Good and stained, but a real oddity.
- 642 **\$1.** 1899. Napier & McClung. Two different notes, Nos. Y82945612; *1285369B. First **pen autographed J. C. NAPIER REGISTER OF THE TREASURY**, vertically, slightly to the left of centre. The second, a "Star Note," **pen autographed LEE McCLUNG TREASURER OF THE UNITED STATES** vertically, at the right of centre. Mostly crisp Unc., though both show results of our "damp" printing method. J. C. Napier's autograph is almost rare. He was a Tennessee Negro, and a decided credit to his race. An excellent pair for display. 2 Pcs.
- 643 **\$1.** 1899. Teehee & Burke. No. D43553757A. **Wide obverse gutter-fold** running at a slight diagonal from top to bottom at right, splitting the seal almost evenly in half. Unc., and unusual.
- 644 **\$1.** 1899. Teehee & Burke. Cut sheet of four notes with the consecutive serial numbers, T36419653T to T36419656T. Each **pen autographed HOUSTON B. TEEHEE REGISTER OF THE TREASURY** vertically at the left centre. Just about Unc. Crisp, though low at the bottom on both sides, particularly upon the obverse. A very rare and interesting item, considering that Teehee was an American Indian. 4 Pcs.
- 645 **\$1.** 1899. Teehee & Burke. No. Y81786432Y. **Additional block of paper** at the lower right, folded over during trimming. **\$1.** Similar, Speelman & White. No. M4289409A. **Various obverse gutter-folds** at the upper right, resulting in distortion of that part of the note. Abt. Unc. and Fine. Interesting and valuable. 2 Pcs.
- 646 **\$1.** 1899. Speelman & White. No. N2078814A. **The reverse inverted.** Ex. Fine. Notes of this type are generally found well worn.

Exceedingly Rare Two Denomination Note

- 647 **\$2.00 OBVERSE and \$1.00 REVERSE.** 1899. Speelman & White. No. N68191166. Only Good. Soiled, and slightly stained with green ink at the centre. Of exceptional interest and value, when one considers the extent to which this "King of Freaks" circulated. A Two Denomination Silver Certificate should not be confused with the (comparatively) common National Bank and Federal Reserve notes of similar ilk, many of which were quickly removed from circulation soon after their unintentional release from the Government Bureau. The only other specimen of this item known to us, appeared as lot 1012 in the celebrated Grinnell offering, where it was called "probably unique" and brought over double the estimated value.

- 648 **\$2.** 1899. Lyons & Roberts. **Uncut strip of three notes**, with low Nos. 133, 134 and 135; letters A, B, C. Plate 3, both obverse and reverse. Ex. Fine. Even borders all around, except at the top, which has a large, broad margin with arrow marks upon both sides. Folded twice, in each instance too high, the first fold through the bottom part of No. 133. Valuable for display, and the first that we have handled so.

- 649 \$5. 1899. Vernon & Treat. No. D50094568. **The reverse inverted.** \$5. Similar. Napier & McClung. No. E70479718. **The reverse blue** (apparently via the use of acid). Both **pen autographed JOHN BURKE** at lower right. Also, \$1. 1923. Speelman & White. Low No. A31B. **Signed FRANK WHITE** above his regular, printed signature. First V. Good, the other two about Very Fine. White's signature is rare, and seldom offered. 3 Pcs.
- 650 **LARGE SIZE FEDERAL RESERVE NOTES. \$5.** Philadelphia C-3. Blue seal. White & Mellon. No. C53195621A. **The blue Seal and Serial numbers inverted.** It is clear that this note was overprinted upside down, since the Treasury seal is superimposed on top of the black Bank seal. Not quite Fine, but a glaring error, and a highly prized freak. How this one got by the Inspectors, is beyond us.
- 651 \$5. Boston A-1. Blue seal. White & Mellon. No. A38787289A. **The reverse inverted.** Also, \$10. Chicago G-7. Blue seal. Burke & McAdoo. No. G3542168A. **Tapered reverse gutter-fold** splitting the Farming scene horizontally up to the right. Very Fine and Fine plus, both uncommonly rare. 2 Pcs.
- 652 **REDUCED SIZE LEGAL TENDER NOTES. \$2.** 1928-C. Julian & Morgenthau. **Narrow obverse gutter-fold** running vertically from top to bottom at the left end of the note. Barely Fine, but very scarce. Freak Two Dollar notes are as scarce to collectors, as regular Two's are to the public.
- 653 \$5. 1928. Woods & Mellon. **Very narrow obverse gutter-fold** running vertically from top to bottom through the left side of Lincoln's vignette. Fine to V. Fine, but wrinkled, and with a few unimportant ink spots at the left side of the reverse.
- 654 \$5. 1928-B. Julian & Morgenthau. **Wide obverse gutter-fold** at the upper left, extending that corner of the note out more than 1/16". Very Fine, and more attractive than most.
- 655 **REDUCED SIZE SILVER CERTIFICATES. \$1.** 1928. Tate & Mellon. **Lower right hand corner of the obverse (only) cleanly split off.** Crisp Unc. Slightly off-center towards the top, upon both sides.
- 656 \$1. Another. **Broad and uneven gutter-fold** showing upon both sides, and starting at a point near the upper left corner, and continuing, diagonally, towards the bottom left centre. More obvious upon the reverse, in spite of our description. Mostly Unc., being almost perfect.
- 657 \$1. 1928-A. Woods & Mellon. **The prefix letter, and all but one half of the sixth digit, the last two digits, and the suffix letter, are missing from the Serial number at upper r.** The impression made by the first six characters can be seen, but evidently a piece of paper slipped between the numbering machine and the note during imprinting. Choice Unc. Nice margins, but slightly off-center upon the reverse. Rare and valuable.
- 658 \$1. Similar. Partial cut sheet of five notes, numbered from L26167640A to L26167644A. **All printed far to the right upon the reverse,** the distance increasing down the sheet. Crisp Unc. Valued at \$5.00 each when normal, by Friedberg, but worth considerably more so. 5 Pcs.
- 659 \$1. Another. **The seventh digit in the Serial number at upper right malformed;** the bottom point of a "7" showing above, the top of an "8" below. An unusual numbering machine error. Choice Unc. A trifle high upon both sides.
- 660 \$1. Another. **Upper left hand obverse corner split, folded and printed.** A difficult freak to describe. V. Fine or better. Unusual, and interesting.
- 661 \$1. Another. **The last two digits, and parts of the sixth digit and suffix letter missing from the Serial number at upper r.** Crisp Unc. Rather low on both sides, particularly upon the reverse. This lot resembles No. 657 closely, and is a worthy companion piece for it.
- 662 \$1. Lot of six 1928, 1928-A Error and Freak notes. Includes one inverted reverse, and five gutter-folds, etc., one or two of which are of exceptional appearance and interest. Good to Fine, and mostly above average. 6 Pcs.
- 663 \$1. 1928-B. Woods & Mills. **Additional block of paper at the upper l.** Ex. Fine. Far off-center towards the bottom upon both sides.
- 664 \$1. 1934. Julian & Morgenthau. **Deep obverse multi-channel gutter-fold** running vertically from top to bottom at the right end, visible upon both sides, and beginning from a point at the top. Very Fine. Above average, distorting as it does, the right eighth of the note.
- 665 \$1. Another. **Pointed obverse gutter-fold,** apparently starting at the bottom right centre after the note itself was printed, and before the blue Seal and Serial numbers were added. It runs diagonally up to the right, breaking a third of

the seal away, and separating the suffix letter "A" from the rest of the number. However, the large "ONE" and the rest of the black printing remain intact. Usual paper distortion from folding during trimming. Almost perfect, and an odd item, being more desirable than most.

- 666 \$5. 1934. Julian & Morgenthau. Two examples. The first has a **thin crease** from the lower part of Lincoln's portrait up to the right edge. The second with the **upper right hand corner of the obverse (only) split off, but still affixed**. V. Good and Ex. Fine, the last choice. 2 Pcs.
- 667 \$5. 1934-A. Julian & Morgenthau. **Pointed obverse gutter-fold** from the top centre diagonally down to the lower left hand corner. Folded after the note was printed, as was lot 665, since the blue "5" and the suffix letter "F" (in the lower left Serial number) are split in half, and "This Certificate, etc." is not disturbed. The paper distorted at upper l., as expected. Abt. V. Fine, and a splendid mate for the \$1. above.
- 668 \$1. 1935. Julian & Morgenthau. **Pointed obverse gutter-fold** running diagonally from a point near the lower right bottom margin to the top at right centre, gaining in width (as usual) from its origin. The right end distorted from folding during trimming. Unc. Hard to locate, as are most of these obvious oddities.
- 669 **REDUCED SIZE GOLD CERTIFICATES. \$10.** 1928. Woods & Mellon. All of these with Gold Seals, and all hard to locate with errors or otherwise. **Pointed obverse gutter-fold** running diagonally from the centre of the right end down to the bottom edge. Very Good.
- 670 \$10. Another. **Diagonal obverse gutter-fold** running from the top right to the right centre. Strictly Fine. Almost all of these gutter-folds show part of the note uneven or distorted, the result of flattening out the bill after it was trimmed folded. Rare, as are all of these.
- 671 \$10. Another. **Upper left hand corner of the obverse (only) cleanly split off**. Ex. Fine, with nice margins. Desirable, as are most of the Errors and Freaks in this collection, representing as they do years of arduous hunting.
- 672 \$10. Another. **Very broad obverse gutter-fold** running almost vertically from top to bottom at the right end. Off-center upon both sides. Very Fine. Also a nice item.
- 673 \$20. 1928. Woods & Mellon. **Lacking the Seal at left, and all of the Serial number at l.**, except the top of the first digit, the bottom of the second, and the last digit plus the suffix letter "A". Abt. Ex. Fine, and low on both obverse and reverse. Excessively rare, and worth a record price.
- 674 \$20. Another. **Broad obverse gutter-fold diagonally chopping off the lower right hand corner**, which protrudes from trimming the note when folded. Very Fine. With bright, vivid impressions, but slightly soiled. Rare.
- 675 \$20. Another. **Section of upper left hand corner extending down to the middle of the obverse (only) cleanly split off**. Almost V. Fine; somewhat off-center upon both sides.
- 676 \$20. The last. **Without Seal or Serial numbers**; all gold printing completely lacking. Uncirculated, with nice, even margins. Of extraordinary rarity and importance. A splendid item, and one of the most valuable in this offering. Worthy of the highest superlatives, and well worth a record price.
- 677 **REDUCED SIZE NATIONAL BANK NOTES. \$5.** 1929. Jones & Woods. All with Brown Seals. **THE FIRST NATIONAL BANK OF BELLEVILLE, ILLINOIS. The Seal and Serial numbers inverted**; the seal being at the upper l., rather than at right centre. Fine. A very great rarity, and a showpiece of the first order.
- 678 \$5. Another. **THE FIRST NATIONAL BANK OF JERSEY CITY, NEW JERSEY. Without Seal or Serial numbers**; all brown printing completely lacking. Plate letter G; Obv. Pl. 224, Rev. Pl. 304. Very Fine, with nice margins. We note a large pin-hole at top centre, and regret to say that a magenta "4" is rubber-stamped upon the right side of the reverse. However, neither of these picayune faults compromise the exhibition value of a note like this. Extremely rare.
- 679 \$5. Another, an exact duplicate of the preceding, and the only other known to us. Plate letter I, apparently from the same sheet as the last. Undoubtedly, only a single sheet escaped having the seal overprinted and handling by the numbering division. Barely Fine, having circulated more than the last. Ex. Rare.

This sale will undoubtedly produce an extra large quantity of requests for estimates. We invariably hesitate to place values in our catalogs, mainly because we often "just don't know" or, equally important, we heartily dislike the idea of inflated estimates that trap the unwary. The true worth of the above lot is anybody's guess. If we had it in stock, we would place a retail price of \$50.00 upon it. Were it a Philatelic item, the value would be ten or twenty times as high.

- 680 \$5. Another. THE HARRIMAN NATIONAL BANK AND TRUST COMPANY OF THE CITY OF NEW YORK, N. Y. **Really broad gutter-fold** running on a slight diagonal horizontally across the note from left to right. This unusual obverse fold neatly slices the bottom part of Lincoln's vignette off, and increases the overall height of the bill considerably. Fine. Trimmed very close at the bottom of the obverse, but with three broad margins upon the back. Slight yellowish stain under UNITED at 1. centre. An exceptional item, worth an exceptional price.
- 681 \$5. Another. LIBERTY NATIONAL BANK AND TRUST COMPANY IN NEW YORK, N. Y. **The Seal and Serial numbers inverted**; the seal at 1., as in lot 677. Very Good. Apparently washed, as are many, many notes, and with two faded blue-green ink stains at centre. Another very great rarity.
- 682 \$5. The last two. THE POTTERS NATIONAL BANK EAST LIVERPOOL, OHIO. **The reverse printed far too low**, the bottom of a second note visible at the top. Also, THE CITIZENS NATIONAL BANK OF WASHINGTON, PENNSYLVANIA. **Narrow obverse gutter-fold** running vertically slightly left of centre. Good and Fine, the last with a name neatly printed in small letters upon the back. Interesting. 2 Pcs.
- 683 \$10. 1929. Jones & Woods. THE LIBERTY NATIONAL BANK OF GUTTENBERG, NEW JERSEY. **The Seal and Serial numbers inverted**; the seal at upper left. Fine. Trimmed very close at the top of the obverse. A fitting mate for lot 681, both banks bearing "Liberty" in their names. These invert notes are probably the most desirable type of error for display purposes. Ex. Rare.
- 684 \$10. Another. THE FARMERS AND MERCHANTS NATIONAL BANK OF MATAWAN, NEW JERSEY. This note has the Charter number printed in brown next to each Serial number towards the centre of the bill, a variation that has until now escaped our notice. **All brown printing, including the Seal, Serial numbers, and Charter numbers, is printed far too high**, both numerical pairs having been overprinted on the black legends above. Fine. Rather close at the bottom of the obverse. V. Rare and unusual.
- 685 \$10. Another. THE NATIONAL BANK OF CORTLAND, NEW YORK. No. F009248A. **Overprinted vertically across the top of the reverse with three Treasury seals and the Serial numbers D008952A and E008952A, all in brown**. Fine, a trifle low upon the obverse. Of excessive rarity, and the first that we have seen or heard of.
- 686 \$10. Another. STATEN ISLAND NATIONAL BANK & TRUST COMPANY OF NEW YORK, N. Y. **Without Seal or Serial numbers**; all brown printing completely lacking. Plate letter G; Obv. Pl. 191, Rev. Pl. 244. Very Good, a very small piece torn away at the bottom of the centre crease, touching "O" of "DOLLARS" upon the obverse, and barely reaching the margin upon the reverse. RRRR.
- 687 \$10. Another, an exact duplicate of the last. Plate letter H; printed from the same obverse and reverse plates. Fine to V. Fine, the obverse a trifle low. Ex. Rare.
- 688 \$10. Another, just like the two preceding. Plate letter I; also from the same plates. Very Good, the margins nice. Ex. Rare.
- 689 \$10. The last item in this unique set. Plate letter K; from plates 191 and 244, as the three above. Strictly Fine, though trimmed very close at the bottom of the obverse. We understand that but one sheet of these incomplete notes was printed, and that it slipped by both the Bureau of Engraving and Printing and the issuing bank. Later, one was discovered by an observant teller, who assiduously watched the bills passing through his cage, and thus found the other three. RRRR.
- 690 \$10. Similar. THE FIRST NATIONAL BANK OF YOUNGSTOWN, OHIO. Very low Charter number 3. **Pointed obverse gutter-fold** running diagonally from a point at the lower right hand bottom margin to the top of right centre, wider of course at the top. Abt. Very Fine.
- 691 \$10. Similar. THE GAP NATIONAL BANK AND TRUST COMPANY, GAP, PENNSYLVANIA. **The bottom 1. Serial number entirely missing; the top r. Serial number missing all but one-half and three complete digits, and with only part of a Seal, the other third lacking**. Careful study reveals odd black marks near where each Serial number should be, plus both a Serial and Charter number in brown printed in "mirror language" at the lower right side of the reverse. Very Good, the margins even, but with a slight tear at the upper right. Highly unusual and interesting.

- 692 **\$20.** 1929. Jones & Woods. THE NATIONAL CITY BANK OF NEW YORK, N.Y. **All of the bottom l. Serial number missing except the prefix letter "A" and a very small part of the first digit, while the other number and the seal, even though complete, lean down and towards the left.** Fine. Nicely centered, but with a number of pin-holes and slight, unimportant damage at the extreme left edge. Particularly rare, as are all high denomination Freaks.
- 693 **\$20.** Another, from the same bank. **The bottom of the right stand of the suffix letter "A" in the upper r. Serial number missing, and the Seal lacking upon the obverse, but instead, at the bottom left corner of the reverse, together with the missing tip of the A.** Ex. Fine. Slightly off-center. This note was the bottom one in the sheet (Pl. letter L), and was folded over during imprinting. Choice, very rare, and of extreme interest.
- 694 **\$50.** 1929. Jones & Woods. THE MERCHANTS NATIONAL BANK OF NEBRASKA CITY, NEBRASKA. **The upper r. Serial number missing, as is the Seal.** While the impression made by the missing number can be seen, there is no trace of the seal. Ex. Fine, partly crisp. With a few pin-holes, mainly obvious at the location of the "lost" Serial number. Excessively rare, as important \$50. Freaks are almost impossible to find of any series or issue.
- 695 **REDUCED SIZE FEDERAL RESERVE NOTES. \$5.** 1928. Cleveland-4. Tate & Mellon. Green seal, as on all following. **Top half of the Serial number at upper r. missing,** on a diagonal line from the lower left to the upper right. Undoubtedly covered during overprinting. Abt. V. Fine.
- 696 **\$5.** Another. Atlanta-6. No. F09817707A. **Malformed Serial number at upper right;** lacking all except the last two digits and suffix letter "A" (and these poorly printed). Unc., with nice margins.
- 697 **\$5.** As the last; No. F09817708A. **Malformed Serial number at upper right;** all characters missing but the prefix letter "F" and part of the first digit "0". Choice Unc., a shade close at the bottom of the reverse. Also attractive and rare.
- 698 **\$5.** As the two preceding, the third successive note from the same sheet. No. F09817709A. **Malformed Serial number at upper right;** part of the fifth digit, the last three digits, and the suffix letter "A" missing. Choice Unc., centered like the last. These notes are hard to locate normal, much less as Freaks.
- 699 **\$10.** 1928. Atlanta-6. Tate & Mellon. **Pointed obverse gutter-fold** beginning at a point above the centre at the left end, and diagonally chopping off the lower left hand corner. A nice oddity, with the usual paper distortion. Abt. V. Fine. Slightly wrinkled with a very faint ink stain at the l. reverse centre. Rare, and not to be confused with the (common) modern, low denomination Freaks occasionally offered.
- 700 **\$20.** 1928. San Francisco-12. Tate & Mellon. **Upper right hand corner of the obverse (only) cleanly split off.** V. Fine. Even margins. Decidedly rare, as are all Freaks of this denomination.
- 701 **\$5.** 1928-A. Atlanta-6. Woods & Mellon. **Pointed obverse gutter-fold** originating near the top margin at l. centre, and continuing in a diagonal path to a broad end near the lower l. hand corner. Fine and rare, not only as a Freak, but as a note.
- 702 **\$5.** Another. Chicago-7. **Narrow obverse gutter-fold** diagonally splitting Lincoln's vignette in two, running (as nearly always) from margin to margin. Fine. Hardly choice, but unusually attractive and interesting.
- 703 **\$10.** 1928-A. Philadelphia-3. Woods & Mellon. **Only the prefix letter "C" and the first digit "0" printed in the upper r. Serial number.** The remaining characters are visible, having been embossed in the paper by the numbering machine. Crisp Unc. Records to \$21.00 as a regular note.
- 704 **\$10.** Exactly like the last. A consecutive pair, Nos. C08851957-58A. **Both notes when placed together show a continuous obverse gutter-fold.** This fold starts at a point two-thirds up the left end of the second note and continues, in a rapidly widening diagonal channel, across the first note to the top edge at l. centre. Ex. Fine plus and Fine. An amazing thing about this pair, is that each note was obtained from entirely different sources, years apart. This explains the disparity in condition, and assists in making the lot a truly splendid display item. 2 Pcs.
- 705 **\$10.** Another. Atlanta-6. No. F06426711A. **Malformed Serial number at lower left;** only the prefix letter "F", the first two digits, and part of the third printed. The remaining characters faintly show, as is generally the case, from

- the embossing action of the numbering machine. Choice Unc., nice margins. Rare and desirable.
- 706 **\$10.** As the last; No. F06426712A. **Malformed Serial number at lower left;** parts of the prefix letter and last digit printed, together with the whole suffix letter "A". Only Abt. Unc., though mostly crisp. RR.
- 707 **\$10.** As the two preceding, the third successive note from the same sheet. No. F06426713A. **Malformed Serial number at lower left;** part of the fifth digit, the last three digits, and the suffix letter "A" printed. Crisp Unc. A trifle high upon both sides, as is the last. Another interesting set, on the order of lots 696 through 698. These allegedly cost \$35.00 each, several years ago.
- 708 **\$10.** Similar. **A section of the lower left hand corner extending down from the middle of the obverse (only) split off, but still affixed at the bottom.** An excellent example of the way "split-corner" notes are made, and how they look before the split piece falls off, or is torn away. Ex. Fine. Ever so lightly soiled upon the reverse. Of exceptional interest and value.
- 709 **\$50.** 1928-A. Chicago G-7 (The letter "G" in the Bank seal at l., rather than the numeral). Woods & Mellon. **The Serial number at upper right entirely missing, as is the (Treasury) Seal.** While the impression made by the missing number can be faintly made out, there is no sign of the seal. Choice Unc., but with a very small and unimportant black ink mark at upper r., probably done during printing. Also, a small tear at the top, slightly left of centre, which breaks into the obverse about Imm. An exceptional item, of extreme rarity and interest.
- 710 **\$50.** Another, like the last. **Pointed obverse gutter-fold,** separating the upper left hand corner from the rest of the note. Almost V. Fine, with nice margins, but somewhat soiled upon the reverse. Ex. Rare.
- 711 **\$10.** 1934-A. New York B-2. Julian & Morgenthau. **The reverse inverted.** Fine to V.F., but very slightly impaired. V. Rare, much more so than similar early notes of which we have handled several.
- 712 **\$10.** Like the last. Cut sheet of four notes with the consecutive serial numbers, B34210027C to B34210030C. **Pointed obverse gutter-fold** from the top left of the first bill down to the extreme top left corner of the last, showing how these folds originate. There is also a small supplementary gutter-fold further left, which only appears on the first two notes. Choice, mostly crisp Uncirculated. Nicely centered, with extra broad reverse margins to the right. The top left edge of the last note is torn off (only slightly affecting the obverse), probably from that part of the fold becoming involved with the trimming process. Mtd. (as is lot 648) in a custom made celluloid holder, neatly bound on the edges in green, and holed on the left hand side for ring binders. 4 Pcs.
- 713 Lot of twenty-six custom made celluloid holders similar to that described in the last lot. These nine ring binder pages are excellent, in that they each hold four large size notes individually and/or uncut sheets, and lie perfectly flat. Very Fine, a few slightly damaged. 26 Pcs.

 788 A second set, showing more tarnish than the above. Currently list at \$7.50. 4 Pcs.
 789 1942/1. This piece was aptly described by the previous owner as being, "as good as they come." It is actually only a thin hair's breadth from Unc., and could easily hide in a set of select specimens. We have never seen a perfect example of this variety, nor known anyone who has. Worse have changed hands as "Brilliant Uncirculated."

 798 1919. Choice Unc. Struck like the last, and equally rare.

Good 1918/17 "D" slightly bruised upon the reverse edge, and a V. Fine 1927 "S" with a minute obverse rim nick. A valuable lot, worthy of examination. 48 Pcs.
 807 Incomplete set of Barber Dimes mounted in a slightly used Meghrig "Popular-type" album. Features such coins as the 1897 "S", 98 "S", 01 "O", 01 "S", etc., in Good; 1900 "S", 03 "O", 05 "O" and 05 "S", V. Good or so; a V. Fine 1912 "D", and finally, a Very Good 1895 "O". EARLY AMERICAN COINS

- 810 **Carolina Halfpenny.** 1694. Elephant token. PROPRIETORS. Close to V. Fine, but holed at the top. A well above average specimen of this rarity that could easily be repaired, since the hole just about touches the milling, and is completely free of both Elephant and legend. Ex Brand coll.

- 811 1722. Wood's Halfpenny. First type; harp at l. Also, 1724. The scarce last year of the second type; harp at r. Double struck. Very Good pair, the second worth about \$4.00 alone. 2 Pcs.

- 814 1786. Another, also VERMONTENSIIUM. R-8. Very Good, but with a roughened steel surface showing two or three pin-point nicks upon the obverse. Ex Hines, T. J. Clarke collections.

- 816 1787. V. Small bust to right; ETLIB INDE. M. 11-A. Fine and bold, but with the same glossy, lightly pitted surface as lot 814. Likewise from Hines and Clarke, and a rare and popular "type" coin. Catalogs at \$25.00
- 817 Balance of the Connecticut. 1787, Mailed bust l., obverse punctuated with stars, M. 13-D; 1787, Draped bust l., M. 311-gg¹; and finally, another Draped bust, M. 332-Z¹². First with a (twice) clipped planchet, but Very Fine or better, the other two V. Good, and mostly clean. 3 Pcs.
- 818 Massachusetts Cents. 1787, Ryder 4-D; 1788, R. 3-A. Abt. Fine and V. Fine, the first showing slight handling. 2 Pcs.
- 819 Three more, all dated 1788. Ryder 1-D, 3-A and 11-E. Fine to V. Fine, except for the last, which barely rates Fine. Unfortunately, the first has an obverse rim bruise, and the second is mutilated primarily by numerous obverse border cuts. 3 Pcs.
- 820 New Jersey Cents. Three varieties, the first really rare, the last a popular "Head left." Maris 15-L, 48-g and 50-f. Second close to Fine, the remaining two with strong claims to Good. Worn, but free of mistreatment. 3 Pcs.
- 821 **New York Excelsior Cent.** 1787. Eagle on obverse shield facing l. Fine and bold, but somewhat impaired and slightly bent. The edges are lightly bruised and cut, mainly upon the obverse, in addition to five or six small cuts lying diagonally across the obverse. An acceptable example of this rarity, in spite of the description, from the Brand collection.
- 822 Another. Also Fine, and cleaner than the last, but with a small attempted puncture on both sides. More than a space filler, and a nice, light brown color. Very rare.
- 823 Nova Constellatio Coppers. 1783, Pointed rays, CONSTELLATIO, Crosby 2-B; 1785, similar, C. 3-B. Fine and Very Fine, the last partly corroded. 2 Pcs.

- 827 **Bar Cent.** Undated, but presumably struck in 1785. Very Good, but with an obverse edge bruise, a few small scratches, and a pin-point dig, the two latter in the obverse field. Genuine, which is not often the case.
- 828 Washington Pieces. 1783. Draped bust Cent. Rev. UNITED STATES. Restrike in red bronze, by Lincoln of London, England. Engrailed edge. Toned Proof. Bringing to \$7.50 today.
- 829 A duplicate, exactly like the last, but with little Proof surface remaining.
- 830 1791. Large and Small Eagle Cents. Very Good and Fine plus, the first in particular, showing signs of handling and abuse. Highly interesting coins, bearing as they do Washington's name and portrait, together with the denomination ONE CENT. Actually, these have much more historical appeal when used, than in top preservation. 2 Pcs.
- 831 Undated (1795) LIBERTY AND SECURITY Penny. Strictly Very Fine. In strong demand.

- 832 Another. Slightly sharper than the last, but impaired to a slight extent, mainly at the top of Washington's head and upon the reverse edge. Worth \$8.50 today.
- 833 1795. Grate Cents. Both varieties, with large and small buttons on Washington's coat. Fine to V. Fine, a rare pair. 2 Pcs.
- 834 Two more, both of the small button variety. Fine to V. Fine. 2 Pcs.
- 835 The remainder of the Colonials. Includes a 1787 Draped bust I. Conn. Cent, a 1787 Massachusetts Cent and Half Cent, a 1760 VOCE POPULI Halfpenny, and a badly corroded (1795) LIBERTY AND SECURITY Washington Penny. Extremely Rare Lincoln Indian Peace Medal

- 836 1862. Clothed bust of President Lincoln, facing right, draped with a cloak; on truncation, the word, PATENTED; below, in small letters, S. ELLIS DEL. SC., Legend, ABRAHAM LINCOLN PRESIDENT OF THE UNITED STATES 1862. Rev. In the center, a round medallion, about three-fifths the diameter of the medal, showing a landscape with house and church in the background, also, children at play; in the foreground, an Indian plowing. Between this medallion and the edge; above, an Indian in the act of scalping another Indian; below, the head of a squaw, a quiver of arrows to the left, and a bow and calumet, to the right. The variety without J. WILSON DEL. & SC. upon the reverse. Silver. 76mm. Belden 53. Fine or better; holed at the top, as usual. A comparatively clean example, without any serious nicks, cuts, dents or bruises. Superior to the Cowell specimen, which B. M. Mehl sold for \$100.00, thirty-one years ago. One of the rarest Lincoln medals, and a highly valuable item. Hundreds of times rarer than, say, a 1938 Boone set, and of far greater historical and numismatic importance. **Plate I.**

THE COLLECTION OF ROBERT J. KISSNER, HAMDEN, CONN. — PART I.

- 844 Kentucky Cent. (1790). Plain edge. Close to Ex. Fine, even considering a few infinitesimal defects.

- 845 Massachusetts Cents. 1787. Ryder 7-H (Rarity 6). Better than Very Fine for this variety. Medium golden-brown color. From the Newcomer and Col. Green collections. Cost \$25.00. RRR. **Plate I.**
- 846 1787. The "horned eagle" reverse. R. 2^b-A. Very Fine, but with an unimportant reverse edge bruise. Dark brown color. A coin that will eventually be listed as a "type."

- 849 1788. R. 12-M. Bought as Ex. Fine, and still showing, upon the reverse, traces of original color. Well above average.
- 850 1788. Unattributed. Fine to V.F., and about Good. First struck on a defective planchet, and with the inevitable edge handling. Last clean, except for a few unimportant obverse field scratches. 2 Pcs.
- 851 Two more. Good to Very Good. 2 Pcs.
- 852 New Jersey Cents. (Struck at Rahway.) 1786, Maris 14-J; 1786, M. 17-K; 1787, M. 48-g. First barely good; second about Fine, but mutilated upon the reverse. Last Very Fine, though struck on a heavily granular flan. 3 Pcs.
- 853 Similar, all dated 1787. Maris 39-a, 43-d and 48-g. Mostly Good, the first impaired by both an obverse planchet defect and careless handling. 3 Pcs.
- 854 (Struck at Morristown.) 1787. Maris 6-C and 62-q. First better than Fine, but on a broad, slightly rough planchet. Last only Good or so, and also showing signs of corrosion. The 6-C very rare. 2 Pcs.
- 855 Similar, 1787. Maris 6-D and 63-s. Very Fine (all things considered), and Very Good, the second slightly mishandled. 2 Pcs.
- 856 The balance of the lot. 1787. (Morristown), Maris 63-q and 63-s. (Elizabethtown, circa 1789-90), Maris 56-n, allegedly over a Conn. Cent. First Fine, the other two rather beat-up. Lastly, what appears to be a Poor cast in brass of M. 18-M. 4 Pcs.
- 857 1783. Nova CONSTELLATIO Cent. Blunt rays. Crosby 3-C. V. Fine to Ex. Fine, with a glossy light-brown surface. From the famous Dr. Hall collection, later owned by Virgil Brand. This type catalogs at \$6.00 in only Fine.
- 858 Two more Nova Constellatio's, both dated 1783. One about V.G., the other Fair and corroded. Also, two 1787 New York Cents, reverse figure seated l. Fine or better, the first badly bruised about edges, the last with a rough surface and a practically invisible date. 4 Pcs.
- 859 Fugio Cents. 1787. STATES UNITED. Newman 7-T. Abt. Fine, but marred by several granular or pit marks. Still, a very rare variety.
- 860 1787. UNITED STATES. N. 8-B. Uncirculated brown. Nicer than most, and in the \$20.00 class (according to the Guidebook).
- 861 1787. STATES UNITED. 1 in date (upon the obverse) over a horizontal l. N. 10-T. Abt. Fine. A few edge bruises and cuts of minute size, do not affect the appearance of this rarity. When this "type" appears in the Standard Catalogue, it will undoubtedly command a value of at least \$50.00.
- 862 1787. STATES UNITED. N. 13-X. Red-brown Unc. Partly lustrous, and a beauty! In addition, a duplicate N. 10-T. This one is badly corroded, and hardly identifiable. 2 Pcs.

- red (1908 "S", etc.), the late dates mostly brilliant, as are many of the earlier ones. A few infinitesimal spots of tarnish can be seen upon several of the coins, positive evidence of why we consider plastic holders moisture traps. 34 Pcs.

- 920 **Half Dollars.** 1807 Bust r., 27 Sq. based 2, 29 S. Letters, 31, and 1834 Small date and letters, large stars. First Very Good, others Very Fine or better, the 1831 with a small obverse edge bruise. 5 Pcs.

- 922 **Morgan Dollars. 1881 "CC".** Brill. Unc. A bright, frosty coin, displaying only light handling marks, and those limited to the obverse. Catalogs at \$75.00 in the Guidebook, which is too high, even for a splendid specimen like the one at hand. Still, rare and hard to find so nice.
- 923 **1893 "S".** Abt. Very Fine. Only 100,000 pieces coined. Rare.
- 924 **1895.** Iridescently toned Proof. Far superior to the cleaned specimens that are frequently offered. Only 880 examples, of all kinds, believed to have been struck. The rarest date in the series, and an item that is steadily increasing in value. Easily worth \$250.00 today.
- 925 1895 "S". Brill. Unc. With the usual picayune abrasion marks, but definitely very scarce. Catalogs at \$20.00 in both references.
- 926 1896 "S". Fully brilliant Unc. Also displaying indications of "bag handling," mainly upon the obverse, but superior to the last. Listed at \$16.00 in the Guidebook.
- 927 **1903 "O".** Just about Ex. Fine. Lustrous, but rubbed where flatly struck at the curl above Liberty's ear, and upon the eagle's breast. Comparatively clean, except for a small reverse rim nick. Long established as the rarest mint mark in the series, no one having unearthed a bag full. Usually found Very Good or so. Not in the R. J. Lathrop collection, sold by us in 1952, in any condition.
- 928 The balance of Mr. Smith's set of Morgan dollars. Complete, except for the six pieces listed separately above. All are more or less Uncirculated, except the following: 1879 "O", 79 "CC", 80 "O", 80 "CC", 82 "O", 82 "CC", 83 "CC", 84, 84 "O", 84 "S", 85, 85 "O", 85 "CC", 86, 86 "O", 87 "O", 88 "O", 89, 89 "CC", 90 "O", 90 "CC", 91, 92 "S", 93, 93 "O", 93 "CC", 94, 94 "O", 95 "O", 96, 96 "O", 97, 98, 98 "O", 99 "S", 1900, 1900 "S", 01, 02 "O", 03, 03 "S", 04 and 1904 "O". These listed items range from Good — V. Good (2) to Abt. Unc., many of the dates and mint marks enumerated having been obtained as Uncirculated. Some are actually close to it, being fully lustrous and acceptable. All in all, a nice set, better probably than our description implies. Mounted in seven large Raymond National Coin Album pages, and two binders. Valued to \$300.00. 91 Pcs.
- 929 **Peace Dollars.** A complete set of these coins, 1921 to 1935 "S" inclusive. All Uncirculated, except the 1922 which has been polished, and the Ex. Fine 1928 "S". PROPERTY OF NEWTON H. KUTNER, NEW YORK, N. Y.

Four Dollar Gold or "Stella"

- 930 **1879.** Liberty bust to left with flowing hair by Barber. Around, the Metric formulation of the coin. Rev. Five pointed star inscribed ONE STELLA; 400 CENTS. Below, FOUR DOL. Moderately impaired Proof. Under a glass, both the obverse and reverse fields show hundreds of microscopic nicks, which partially dull the original finish. Careful examination with our loop also reveals two or three minute obverse rim nicks, but actually, this specimen is highly desirable, and superior to many offered, including the one following. **Plate I.**

A Second "Stella"

- 931 Another, the same as the last. Very Fine or better, without any trace of Proof surface remaining. Apparently mounted at one time, this coin shows expert edge repair work on the reeding in two places. These spots are at "two and four o'clock" respectively, as you look at either side of the piece, but are not discernible unless you search them out. An unusually clean example, even considering a few small nicks and other slight defects, and what might be very light scraping at the top right obverse rim. Excellent for the collector looking for an attractive, moderately priced "type" specimen. **Plate I.**

U. S. Assay Office Fifty Dollar "Slug"

- 932 1852. Fifty dollars. Eagle holding a ribbon in his beak, his head to the r. Fineness 887 THOUS. Struck by the firm of Curtis, Perry & Ward, and inscribed UNITED STATES ASSAY OFFICE OF GOLD, SAN FRANCISCO, CALIFORNIA. Adams 19. Almost Very Good. The obverse border lettering is unfortunately very weak, but the date is fully visible. Mishandled as usual, and with three obvious edge bruises upon the obverse, but still a "slug" and better than some we have seen. **Plate I.**

A Second U. S. Assay Office "Slug"

- 933 1852. Similar to the last, but inscribed 900 THOUS. Adams 20. Strictly Fine, even though the date is very weak. Not fully struck up at the left on either side, but free of the serious edge dents which seem to plague these coins. An acceptable specimen, superior to many offered. **Plate I.**

Complete Panama-Pacific Set in Case

- 934 1915. Complete set of Panama-Pacific Exposition Gold and Silver coins. The set consists of both the round and octagonal Fifty Dollar Gold pieces, Quarter Eagle, Gold Dollar, and Half Dollar in Silver. All Uncirculated, though both "slugs" show some handling, and the half is tarnished. The rare round fifty is clean except for two or three small reverse rim nicks, while the octagonal piece displays the same type of nicks upon the obverse, together with several small surface marks (on both sides), indicative of careless handling. Neither of the two big coins however, show any signs of actual wear. Undoubtedly, both were removed from their case for a short period of time, and permitted to come into contact with each other or a foreign object. The set is neatly mounted in the black leather box of issue, complete with the descriptive printed card. Not inferior to, perhaps seventy-five per cent of the sets available, the actual difference being in our description. Rare, and in very strong demand. 5 Pcs.

- 935 1922. Grant "Plain" Gold dollar. Brill. Unc. Steadily advancing towards the \$50.00 mark.

- 945 1829 L. Letters; 1830 L. Letters; 1839 Booby head. Fine, Very Fine and Abt. Unc. The last has a beautiful surface, showing considerable red, but also displays signs of handling, mainly upon both of the borders. 3 Pcs..
- 946 Lincoln Cent. 1922 "Plain." A regular 1922 "D" Cent, almost Fine, without the slightest trace of the mint mark. On the whole well struck, and one of the most desirable examples of this oddity that we have seen. Well worth \$5.00.
- 947 **Five Cents Nickel.** 1866. Rays through stars. Very Fine or better. In addition, 1883 Shield and 1883 Without CENTS, Good — V.G. and Very Fine. First catalogs at \$5.00. 3 Pcs.

- 952 **1925 "S".** Uncirculated. Weakly struck and somewhat defective upon the obverse, around the beginning of the Indian's braid and his lower cheek. Also weak upon part of the reverse, but with a firm, bold mint mark. Partly lustrous, with only touches of tarnish. Seldom found perfect, this rarity now lists at \$60.00 in both references.
- 953 1857. Trime. Brill. Unc., but lightly scratched upon the obverse. Plus, 1872. Half Dime. Abt. Unc., purchased as a Proof. First catalogs at \$6.50 alone. 2 Pcs.
- 954 **Dimes.** 1907 and 1908. Brill. Unc. The first so-so, the last a beauty! Also, 1908 "D". Brill. Unc., but badly scratched, particularly upon the reverse. 3 Pcs.

Rare 1919 "S" Half Dollar

- 958 **1919 "S".** Weakly struck, as has been every specimen that we have seen. Brilliant Uncirculated. A splendid coin, with full, frosty mint lustre, attractively toned at the edges. Not to be confused with the pseudo-perfect pieces lacking the original surface on the weak and/or rubbed spots. From the Ralph J. Lathrop collection, and sold by us in the 1952 A.N.A. Convention sale for \$280.00, an hour or so before we received a late bid of \$375.00.

One of our mid-western dealer friends tells us that he actually sold a 1919 "S" half for \$495.00 nearly a year ago. He now values this mint mark at \$750.00, and predicts that it is on its way to becoming a \$1,000.00 coin. While we can't quite share his enthusiasm, we do know that it is the rarest item in a rare series, and is extraordinarily difficult to locate when a customer calls for one.

- 959 **Gold Coins.** 1851. Gold Dollar. Fine, though slightly mutilated and bent.
- 960 1853. Liberty head Quarter Eagle. Abt. Very Fine. Worth at least \$10.00.
- 961 **Circulated Sets.** Indian head or Buffalo Nickels. The complete set, 1913 to '38 "D" inclusive. An above average group, consisting almost entirely of coins in Fine condition, with many of the later years approximating Very Fine. Mtd. in a blue Whitman board, and worth a generous bid. 64 Pcs.

- 962 Mercury Dimes. Another complete set, 1916 to '45 "D", lacking as does the last, the "overdate." The early coins are mostly Fine, but there are several unimportant exceptions. The 1916 "D" is V. Good; although marked Fine at a cost of \$7.50. All of those from 1937 on are brilliant Unc., and catalog at over \$10.00 alone. Mtd. in a used Meghrig "Popular-type" album. 77 Pcs.
- 963 Canadian Large and Small Cents. Partial sets, mounted in two blue Whitman folders. The first set begins with 1876 "H", and lacks the '91 Small date, 1902, 04, 05, 07 "H", 08, 09, 10, and all of the George V coins, excepting those dated 1914, 18 and 1919. We note duplicates of 1894, 1900 and 1901, the last mostly red Unc. The Small cents are complete to 1943, lacking only 1935 and the vary rare '36 "Dot". Both 1950 and '52 have been added, and there is a duplicate of 1939. Almost without exception, both sets consist of coins generally found, averaging from V. Good to V. Fine. A nice start on a series that is bound to increase in interest. 55 Pcs.

EIGHT RARE HARD TIMES TOKENS

The Property of a Prominent Dealer

- 964 **Low 7.** Liberty cap. THE GLORIOUS WHIG VICTORY OF 1834. Strictly Very Fine, but with one or two hardly visible obverse handling defects. Boldly struck, and like the others we have handled, a rich, medium brown color. Easily worth \$30.00, with higher records.
- 965 **Low 11.** Boar running, nose pointing to C. Rev. Bust of Jackson, broad shoulders. Brass. Uncirculated. With the original silvering, but rather dull, having tarnished somewhat. To our knowledge, the finest available specimen, and a very great rarity so. **Plate I.**
- 966 **Low 24.** Stern female head to l., E PLURIBUS UNUM above, 1837 (the smallest date in the entire series) below. Rev. Type of the regularly found Low 21, but ONF instead of ONE at centre. Struck in a light colored bronze alloy on a thick, roughened planchet. Just about perfect, and the first in these sales. Excessively rare. **Plate II.**

The above variety is one of the so-called Bushnell numbers, identified as such by Low on page 30 of his work. We cannot presently prove nor disprove Bushnell's connection with this piece, but we do know that only a very few examples are known. The only one offered within memory appeared in the Dunham sale, in 1941. That specimen was bought with the rest of the Hard Times Tokens by a single individual, and now reposes in the collection of Don Miller, Indiana, Pa.

- 967 **Low 57.** Facing bust of Van Buren. Rev. SUB TREASURY & DEMOCRACY. Dog guarding safe. Brass. Very Fine, and (as always) holed. While with a few, truly unimportant signs of handling, this piece is superior to the one we sold twice, once in our thirty-seventh sale at \$52.50, and again in our thirty-ninth sale for \$48.00. This number has always been underrated, and still is. Low originally listed it as Rarity 4, later revising this to R-7, his second highest rarity classification. **Plate II.**
- 968 **Low 147.** A very crude female head l., inscribed TROY, within a circle of fourteen stars. Rev. Around, CARPENTER & MOSHER 'RIVER' ST; within a very badly executed wreath, DRY GOODS — 310. A worn and handled item, but one that we would call strictly Fine (for the piece). Of the most excessive rarity, being one of the real rarities in the entire series.

This number is easily the hardest to locate of the two Carpenter & Mosher varieties, the other being No. 146.

- 969 **Low 168.** An extremely rare muling. Obv. Boar running, nose pointing to C. Rev. Bust of Jackson, broad shoulders. Copper. A combination of the obverse of No. 8 and the reverse of No. 10. Very Fine, but with two serious pin-point nicks upon the reverse. Only the second one that we have handled, and another R-7 item. **Plate II.**
- 970 **Low 169.** Another muling, of considerable rarity. Obv. Bust of Seward; OUR NEXT. GOVnr. upside down at bottom. Rev. Without a bold period between FAITHFUL and FRIEND; two leaves in the Eagle's olive branch at top, rather than one. Extremely Fine, and a beauty. Listed by Raymond as his 15a, and valued (thirteen years ago) at a very low \$20.00 V. Fine. We would call this combination of the obverse of No. 15 and the reverse of No. 16, an R-6 item, and even feel that might be too low. The only other one we have seen was badly mutilated, and found in a large dealer's junk box. **Plate II.**

The Rarest Note of the Confederate States of America

971 \$10. SEPTEMBER 2, 1862. CERES SEATED BESIDE SHEAF OF WHEAT, HOLDING SICKLE; FARM IMPLEMENTS AND CATTLE IN BACKGROUND BUST OF R. M. T. HUNTER, LOWER RIGHT. Lithographed on parchment-like bank note paper with a faintly bluish tint. Plate letter N; Hand numbered 4130 in red ink, and with the printed signatures of T. J. Miller (for Register) and P. B. Hooe (for Treasurer). **Bradbeer 346; Chase 208.** Wrinkled throughout, but Very Good, though with numerous small pin-like holes and slightly folded and/or tattered at the top and bottom edges. Of the greatest rarity, but three or four known; this being the fourth specimen known to Sydney Kerksis. A hundred times rarer than even the \$500. Montgomery, in fact so rare that it is not illustrated in the Chase work, Mr. Chase not being able to locate one for illustration. Considering that without this item no collection of C.S.A. paper is complete, and that it has never before appeared at public sale to our knowledge, we feel this lot should excite the most spirited interest.

Mr. Sidney C. Kerksis, one of the foremost living authorities on the subject of Confederate and Southern State Currency, has written a splendid article concerning the above note and its mate, the \$20. "Essay," as well as the regularly issued \$10. bill of September 2, 1862. Under the title "Enigmatical Confederate Currency Issues," the Kerksis article can be found in the March, 1951 issue of the Numismatist, and leaves little or nothing unsaid. Since clear, authentic photographs of this great rarity are almost impossible to obtain, we have prepared full-size photographic prints of the above lot, which we will send postpaid, at \$1.00 each, to interested specialists.
